

Praise

GOD

for the Harvest

ATTITUDE of GRATITUDE

B E T H A N K F U L

Forrest, field, Sea and Sty
Creatures that walk, swim and fly
Given by God to fill us with thankfulness

Remember the broken
places
Places of want and
weeping
Where hope grows thin

A fruitful world where
all are fed
Cannot be left to
wishful thinking
It must be a willful act
of faith.

A wide-angle photograph of a vast, golden wheat field under a clear blue sky. The sun is low on the horizon, creating a bright glow and lens flare. Several rectangular hay bales are scattered across the field, receding into the distance. The overall scene is peaceful and evokes a sense of harvest and gratitude.

I WILL GIVE YOU THANKS
WITH MY WHOLE HEART
