

## Colour an Advent Wreath

The candles on our Advent wreath in church are all red except for the candle in the middle which we light on Christmas Day, which is white.

In some churches they have three purple candles, one pink one (for this Sunday) and a white one for Christmas Day.

**Which colours will you choose? We'll look forward to seeing!** On the next page is an Advent wreath with candles to cut out, colour and stick onto your wreath.
