

## Matthew 21:33-46

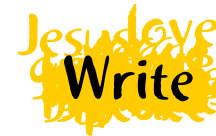

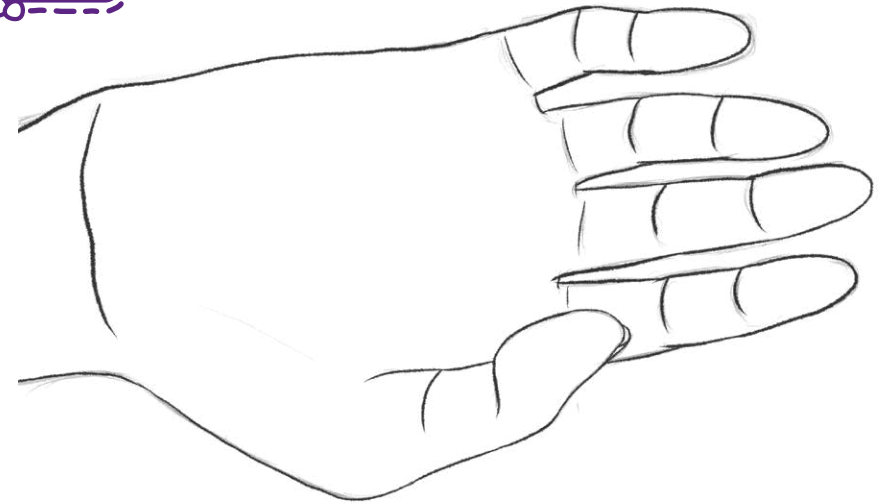

Jesus tells a story about the importance of looking after the things we've been given to take care of.

Let's think about what we have been given to look after.  
Do we take care of it the best we can?

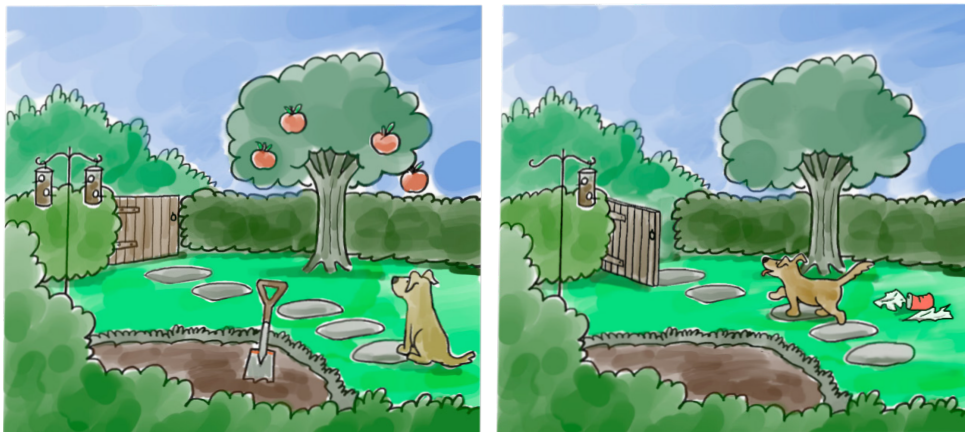

What and who do you help look after? Can you draw them in the upturned hand?

Can you find the words from today's passage in the grid?

Can you spot six differences in these two pictures? Which garden is better looked after?
