

Safeguarding report to the Annual Church Meeting 2021

The updated **Safeguarding Children and Vulnerable Adults Policy for St Andrew's Psalter Lane Church**, based on the Methodist model policy, was approved by the ECC in December 2020. The changes, which were minor, were to keep the policy in line with the Methodist model church policy revised policy.

Safeguarding training: some ECC members had done the Diocesan basic online safeguarding training as recommended by Imogen at the ECC meeting on 23rd September 2020. Most SAPLC Safeguarding training is done via the Methodist Church, but some church roles require Anglican training.
