

So, as a church we encourage people in prayer and study. We are following 'Light for Our Path' and the themes will be the topic for further discussion in Home Groups.

We have been involved with **Alpha, Christianity Explored, the Y Course & Saints for healing.**

We also run a **Marrage Course** occasionally.

**Each Friday morning at 09.30 our minister holds a prayer meeting at the manse.**

We also encourage people into **Home Groups**, of which there are now two.

**Ecumenical Lent groups** take place locally. Please **Contact us** for further information.

We have a **Prayer Chain** whereby prayer needs are communicated to a confidential group of members who promise to pray daily. Use the "**Contact us**" page if you have a prayer concern.
