QUOTABLE QUOTES

The best thing about the future is
that it only comes one day at a time.

Abraham Lincoln, U.S. President

Welcome

Remember, remember the 5th of November..... goes the rhyme. November is a time to remember. On Sunday 8th November we remember the fallen in all wars and those loved ones who have passed away.

It is also a time to start preparing for Advent, with a coffee morning to raise funds for the Christingles, the Christmas Bazaar, practising songs for the Christmas services. It is also a good time to be thankful for all that happens in the parish. The good work done in the church grounds, the extraordinary work with over 100 young people in the Scout Group, Guide Company and Brownie Packs. We also need to remember our neighbours as the flu season begins to set in.

If God Had Voice Mail

Most of us have now learnt to live with “voice mail” as a necessary part of our lives. But have you ever wondered what it would be like if GOD decided to install voice mail? Imagine praying and hearing the following:

Thank you for calling Heaven...

For English, Press (1); for Italian, Press (2); for all other languages, Press (3).

Please select one of the following options:

Press (1) for Requests; Press (2) for Forgiveness; Press (3) for Thanksgiving; Press (4) for Complaints; Press (5) for all other inquiries.

I'm sorry; all of our angels and saints are busy right now. However, your prayer is important to us and will be answered in the order it was received. Please stay on the line. If you would like to speak to.....

The FATHER Press (1)

The SON Press (2)

The HOLY SPIRIT Press (3)

Our records show you have already prayed today:- Please hang up and try again tomorrow. The office is now closed for the weekend to observe a religious holiday. Please pray again on Monday after 9.30am.

If you are calling after hours and need emergency assistance, please contact your local vicar!

Deanery Synod Representative

Since Phillip Martin moved away from Gravesend, there is now a vacancy for a Christ Church representative on the Deanery Synod. This is the body that governs decisions for the churches of the Gravesend area, and puts proposals up to Diocesan Synod and ultimately to the General Synod of the Church of England. This is a very important time for our Deanery Synod, as we are working on plans for mission co-operation between all the churches of the Deanery, and we need a full complement of reps from Christ Church, Deanery Synod meets about 4 times a year. The new rep will also become ex officio member of the PCC. Talk to Sue Brewer, Peter Read or Martin Sewell if you want to know more about what is involved. Nomination forms are available at the back of the church.

A coffee morning will be held in the choir vestry on Wednesday 4th November after the 10am service to raise money to pay for the Christingles.

There will be a bring and buy table and a raffle. We hope you will come, but if you cannot

maybe you could give an item for the bring and buy or a small raffle prize.

Open Church

It is proving difficult to find sufficient people to enable the church to be open on Mondays and Fridays mornings. If there are any volunteers to make a regular commitment, we can probably continue. If not, we will sadly have to close.

Any offers??

Christ Church is looking for an church organist and choir director. If you know of anyone who may be interested, please let Sue know.

1st Windmill Scout Group

The 1st Windmill Scout Group is continuing to provide top quality Scouting from it's start in 1928 as 21st Gravesend (St Faith's) Boy Scout Group meeting in St Faith's Hall until it was demolished. Parents and friends (including Margot Edwards) supported the group by acquiring a piece of unused water board land in Sandy Bank Road – now known as 'The Waterhole'. The Waterhole has been the base for the Scout Group (and 3rd Milton Guide Company) since 1969. With the new headquarters came a new name 'Christ Church Scout Group'.

John and Julie Hill have had a long association with the scout group, Julie was Akela (Cub leader) and John was Skip (Scout leader). John and Julie's son Martin has been Akela and the family connection is still there with daughter Kathryn as Guide leader.

In the 1980's and 90's Scout groups everywhere were struggling to meet the needs of the young people, Christ Church Scout Group closed its second Cub Pack and the 33rd Gravesend Scout Group was having difficulty finding somewhere to hold its meetings. In 2001 Christ Church Scout Group and 33rd Gravesend Scout Group joined forces and 1st Windmill Hill Scout Group emerged stronger.

1st Windmill Scout Group comprises:

'Beaver Colony' for young people aged 6 to 8 years. The colony meets on a Thursday night with an energetic young man, Matthew Johnson, acting as Beaver leader.

'Cub Pack' for young people aged 8 to 10½ years. The pack meets on a Monday night with Akela Vi Rushbrook at the helm.

'Scout Troop' for young people aged 10½ to 14 years. The troop meets on a Friday night with 'Skip', Richard Painting, leading them in many different outdoor activities, including camping and overnight expeditions.

'Sputnik Explorer Scout Unit' for young people aged 14 to 18 years have their base at The Waterhole and meet on a Monday evening.

The Scout Group is led by Group Scout Leader Paul Rushbrook with the Group Executive, comprised of parents and friends of scouting, providing support. Christ Church as sponsor of 1st Windmill Hill Scout Group continues to support the group.

All sections of the scout group are thriving, but need adult support. I have written this as an overview of the scout group. If anyone would like to get involved then speak to me or Sue Brewer.

Ian Brown

What are Beavers Scouts?

Beaver Scouts are young people usually aged between six and eight years old. They belong to the first and youngest Section in the Scouting family. Young people can join Beaver Scouts in the three months leading up to their sixth birthday. They can move to the next Section, Cub Scouts, between seven years and six months and eight years six months.

Easily recognised by their distinctive turquoise sweatshirts, Beaver Scouts enjoy making friends, playing games, going on visits and helping others. They usually meet together once a week in a Beaver Scout Colony. Some Beaver Scout Colonies also organise Sleepovers. These are often the first time a young person spends a night away from home. They take place in suitable buildings, often Scout centres.

Explorer Scout Unit

If you're 14 to 18 and want to enjoy Scouting you can do so by joining Explorer Scouting. As an Explorer Scout you get to take part in all the usual great Scouting activities such as kayaking, climbing, orienteering... as well as work on projects helping to support your local community. You can also, if you choose, get more closely involved in working with the younger Sections as a Young Leader.

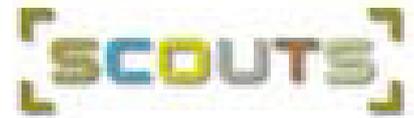

The new Chief Scout is a well known television explorer. If you know who it is - send your answer to the editor.
Email to: ianbbrown@phonecoop.coop
Or leave in the pigeon hole in church.

What is Cub Scouting?

There are loads of fun things that you can do as a Cub Scout. You will get a chance to try lots of different activities like swimming, music, exploring, computing and collecting. If you do them properly you will get a badge which you can wear on your uniform.

Cub Scouts also get to go on trips and days out, to places like the zoo, theme parks or a farm. Sometimes you will be able to go camping with the rest of your Pack. This will mean you sleeping in a tent and doing loads of outdoor activities.

Scout Troop

Scouts is the third section in Scouting, and is for boys and girls aged 10½ to 14. Scouts take part in a wide range of activities from archery to expeditions as part of their programme. There are many awards that Scouts can work towards, completing Challenges to get the Chief Scout's Gold Award. However, taking part and having fun is just as important as what you achieve as a Scout.

The balanced programme of activities encourages Scouts to find out about the world in which they live, know their own abilities and the importance of keeping fit and develop their creative talents. There are also opportunities to explore their beliefs and attitudes.

Being outdoors is really important and Scouts love to learn new skills, such as camping, survival and cooking as well as the wide range of adventurous activities, anything from abseiling to yachting. Scouting is about being with friends, as part of a team, participating fully in the adventure and opportunities of life.

Music at Christ Church

Autumn is well and truly here now. Harvest Evensong was a very pleasant occasion with many traditional hymns celebrating the Harvest. It was good to see a good sized congregation enjoying their worship and singing the hymns heartily. Our next important Sunday is the Annual Remembrance Service followed in the afternoon by the special Service for the Bereaved which has become a tradition here at Christ Church. This is a very special and sensitive occasion where we hope that the choice of music will in some way help those families who will be especially remembering their loved ones. Christmas will soon be upon us and we are already practising the music for the Carols by Candlelight, and the Nine Lessons and Carols. Members of the congregation tell us that they really appreciate the hard work, time and thought that Gwyneth and the Choir put in to the music to make the services meaningful.

Pam Kilby

The Autumnal weather and the clocks going back can only mean one thing as far as the Music Group is concerned – Christmas! We have started learning a new Christmas song to sing at the 1X Lessons and Helen is looking for another one for us to sing. The next couple of months will be busy with extra rehearsals in preparation for the Christmas services. If you would like to join us you would be most welcome.

GARDENING TIPS FOR NOVEMBER

Last month's weather was very kind to the gardener and has possibly allowed you to clean up the garden and containerised plants. Complete this operation this month.

It is usual for November to have some good weather and reasonable temperatures but the clocks have gone back, the days are getting shorter and colder, wind and rain must be expected.

Complete winter planting of bulbs and annual plants in your flowerbeds and containers as soon as possible. Frozen roots in containers can kill the hardiest shrubs. Move them if possible to a sheltered area of the garden or wrap them in Bubble Wrap. Make sure that they cannot become waterlogged, clear all drainage holes and raise them an inch off the ground.

If you grow bush roses it is very important to reduce wind-rock. Do this by cutting each plant's summer growth by a third and in particularly vigorous types by a half. This is not pruning. Pruning will be done next spring to shape the bushes and encourage flowering wood.

ADAM

CCADS

It won't be long now to the next CCADS Christmas production! They are performing an evening of One Act Plays on 26th 27th and 28th November.

Sparrows by Charles Mander, is a comedy in which a casual holiday conversation takes an unexpected turn. This play sees the return of Gerry Higgins to an acting role, and the debut of David Horton. Christine Kearsey and Janet Porter are also there after 'resting' from the last production.

Outdoor Pleasures, another play from the popular 'deckchairs' series, by Jean McConnell, is not all it may seem and sees Sally Higgins and Zoe Tindill acting as auntie and niece.

Finally we see Lynne Chesterton and Allister Kay in **The Evergreens** by David Campton. This is the story of re-awakening of an attraction after 30 years apart.

CCADS is back to full strength and has enjoyed rehearsing these plays and they look forward to your company. Tickets are available from Gill Campbell on 01474 534517, at £5 for adults and £1 for students.

First Steps

14th October 2009

My goodness me, another month has flown by and it's time for our First Steps service again. Did you know that our naughty little sheep sneaked into our Harvest Thanksgiving service on Sunday? Balancing on the pulpit he watched the whole service and hardly anyone noticed him. He thought that the Church looked really beautiful with all the Harvest decorations and he loved seeing the children, all smily with their conkers and leaves.

Well it's Wednesday 14th October and our naughty little sheep has asked 12 of his special friends to join us for our service. He'd heard that we're going to be thinking about Jesus' special friends, the 12 disciples, so he thought that his friends would like to come along too. And they are all shapes and sizes, just like the disciples, and just like us!

Anne and Isabelle and I get everything ready for our service and before we know where we are we have a lovely crowd in Church. Our naughty little sheep is so pleased to see everyone and he notices that there are a few faces that we haven't seen for a little while as well as our much loved regulars. And there are some new faces too! Isn't that great!

We begin by singing "Candletime" and lighting our candles. And we've got 4 special ones to light today. Erin is going into school full time after Half Term so she won't be with us for a while. It will be Elsie's 1st Birthday very soon and Erin, and there are two Great Nannies who are both going to

have a 90th Birthday soon too, so we light candles for all of those special people, both young and old.

Remembering that we are thinking about Jesus' disciples, we sing, "Jesus is a friend of mine" and "Thank you God for the people we love." And we thank God for the special people in our life. Our naughty little sheep suggests that we sing "The Body Song" because we are all different, just like his special friends, who seem to be having a really good time. So we sing it twice with lots of jingling of bells and Jeffrey Giraffe and Percy Penguin sway to the music, along with dear little Isabel, who is looking very pretty, with colourful beads around her neck.

With more songs and prayers our service is soon over and it is time to blow out the candles. We all make our way out into the Hall for some much needed refreshments though our naughty little sheep decides to stay behind in the Church to catch up with his friends. It seems that they've got lots to talk about. And so have the Mums and Grannies, once they are settled in the Hall, while the children have a lovely time playing together with the toys. Our naughty little sheep pops in just as everyone is leaving. He does hope that they'll all come back and join us on the 11th November and some of his friends might come along too.

God Bless.
Rosemary Austin.

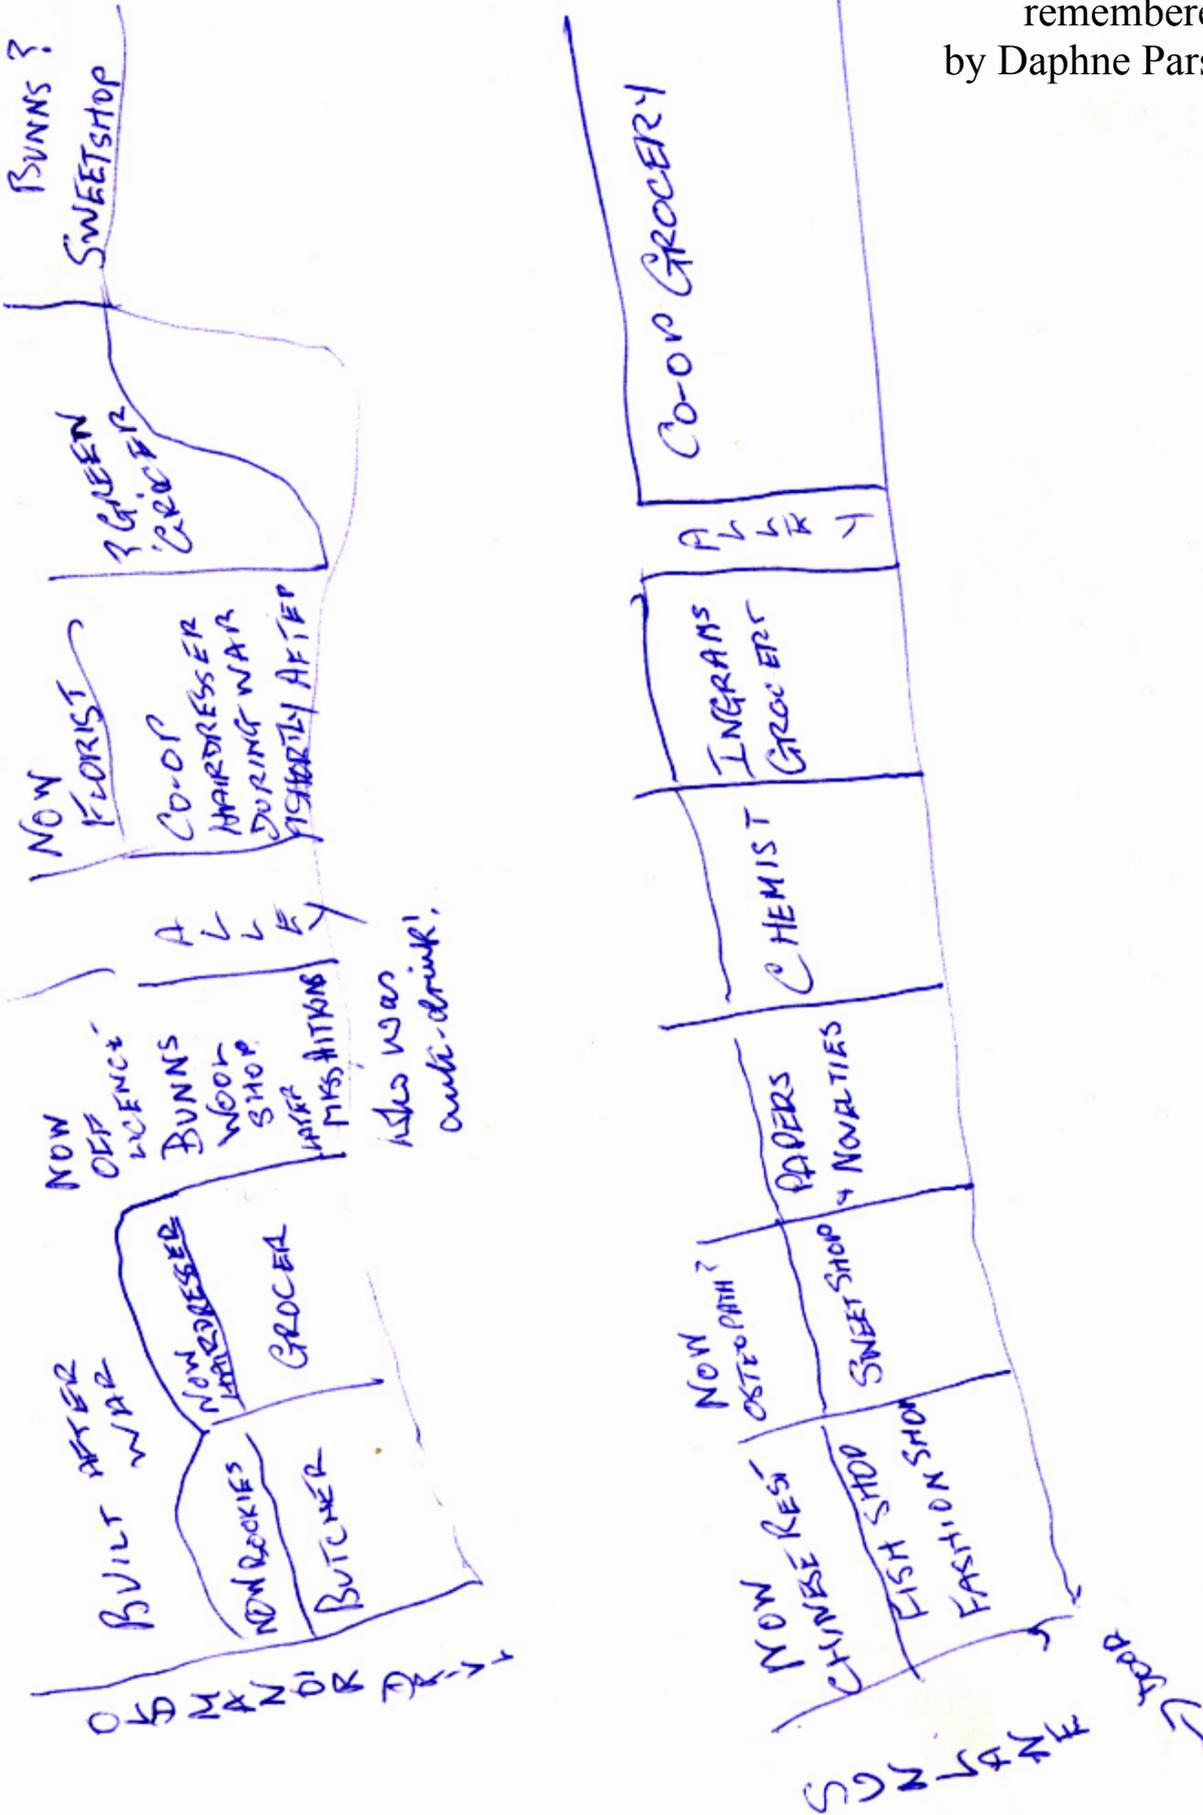

Laptop

Is anyone getting rid of a laptop???? Needs to be of a reasonable speed and play DVDs, preferably with Powerpoint installed (though OPENOFFICE could be loaded). We could do with a church laptop for occasional Data Presentations and to show films to the Youth Club etc.....

If you are getting rid of one – think of us!

Church Grounds

Update

It has now been a year since we started planting the gardens and despite, or because of, the weather the plants have settled in well, but we still have lots to finish!!

Spring bulbs, which hopefully will give lots of colour, have been planted and by the time you read this, new bedding plants will be cheering up the front of the church.

The long border by the side of the hall is yet to be finished. The sunflowers will remain to feed the birds in the winter. We hope to continue planting either end with perennials and shrubs continuing to choose plants with the theme of colour and scent. Whilst the corner section is mainly pinks and red, the far end by the gate will be planted with yellows and oranges.

The round bed still looks bright and cheerful with the geraniums – at least until the first frosts appear!! We will then put in more plants for colour, scent and touch.

All the plants in the Pleasance have flourished and next year will fill out the area even more.

In the Pleasance we have also managed to complete one of our major projects. A new boundary fence has been erected behind the tree line. Some of the trees have been taken out whilst others have been shortened and trimmed and the area in front of the trees has been smartened up with the use of railway sleepers and bark. The construction of a sandpit and a digging area has also been included for the use of the pre-school children and others who use the Pleasance. The cost of the project has been met by those of you who use John's services whether it be gardening, decorating or driving you to the airport, hospital or somewhere else. Please continue to use his services as we have another project in mind for next year.

Finally we on the gardening committee would like to thank all of you for your encouraging comments on our first year's work.

Lesley, Anne and John.

Who is the God we worship?

The one who made mountains?

The one who made the sea?

The one who made the whole universe?

Where is the God we worship?

very close -- we live and move in him

on a holy mountain?

far away above the sky

How do we know what God is like?

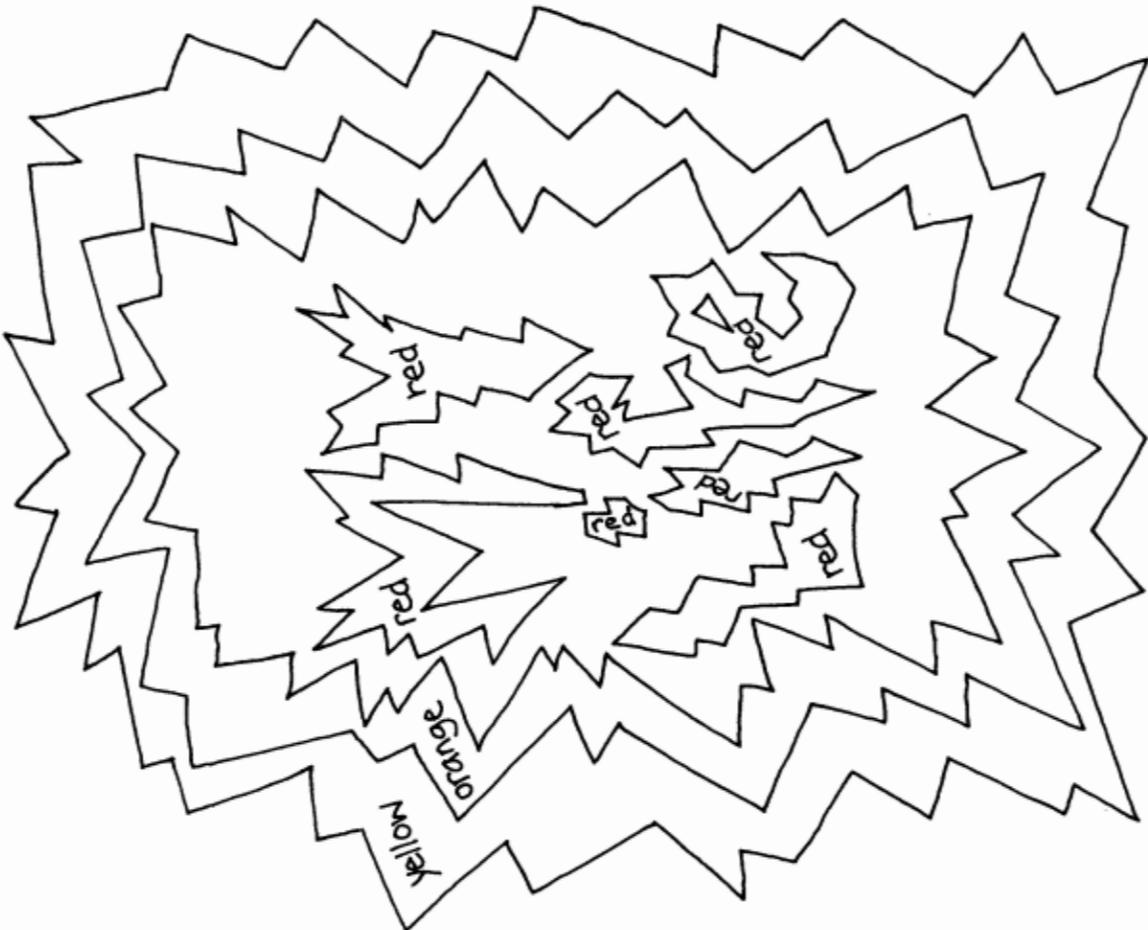

because when we pray we start behaving like him

because we can see him in Jesus
