Christ Church MU news

On 12 February about 18 members met for the Annual General Meeting. Jacqueline opened the meeting with a short holy communion service. Afterwards we heard various reports including the Treasurers Report from Margo and the Committee Report summarising the various activities during the previous year from Sheila (read by Veronica). Jenny has now taken over as Secretary and Veronica said she had given a Millbrook token to Sheila in thanks for all her work as Secretary on behalf of everybody. We discussed various matters arising and broke for refreshments, Valentine-themed supplied by David.

Our next meeting on 12 March will be an Easter Flowers workshop where we can make something to take home. On 9 April we will have a Lent Agape meal, further details to follow.

WORKING PARTY

'In order to save on expensive cleaning and maintenance, we hold a monthly working party on a Saturday morning starting at 09.30.

Together we clean and tidy the church, do a bit of necessary DIY or gardening, have a coffee and often some home-made goodies – and finish by about 11.30.

We are enormously grateful to the few loyal helpers who turn up month after month – but we desperately need a few more.

Please consider putting the dates into your diary and coming along. All are welcome – if you can do basic DIY please let us know in advance so that the churchwardens can plan jobs in advance.

**Working party is almost always on the second Saturday of each month...
NOTE the next ones will be on 9 MARCH at 9.30.**

See you there, JAN

ELECTORAL ROLL

Every 7 years the Electoral Roll has to be revised . At the end of this month we shall begin the process of revising thje current Electoral Roll which is hopelessly out of date due to people moving or passing away.

Everyone will have to re-apply to be included on the new Electoral Roll.

This means that you will have to fill up one of the forms at the back of the church and hand it to a priest or churchwarden.

This will give us a realistic picture of current membership.

Those on the Electoral Roll are, of course, eligible for election to the various church offices.

So don't forget to sign up !
You will receive plenty of reminders.

FIRST STEPS
13TH FEBRUARY 2019
JESUS AND THE BIG PICNIC

Our naughty little sheep is up to a bright morning. It's pretty chilly but looks promising for our First Steps service this afternoon, so he's really cheerful. Bless him! It's beginning to feel a bit like spring when he, his friends and I walk up to church. How lovely! Everyone is very chirpy, rushing off to find their usual places when we get inside. There is quite an excited buzz. When they're all comfortable they watch as I get things sorted in church. Jan and then Linda soon arrive to get the hall set up. Then in comes Anne, to play the piano for us. When everything is ready we wait to see who will be first to join us. It is Katerina and little Annabelle. Katerina has kindly made some biscuits for us to enjoy later. How lovely! Gradually others arrive and soon we have a nice little gathering. When everyone has got their jingle bells and is sitting comfortably, it is time for our service to begin.

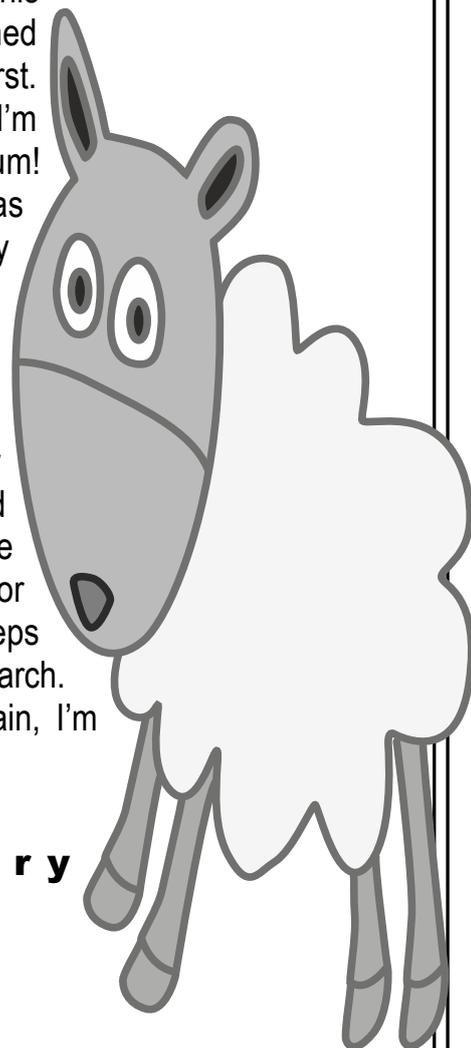

Today we are thinking about Jesus and the big picnic. Everyone loves a picnic, don't they? We hear how Jesus has been talking to lots and lots of people. Some of them have come to see Jesus because they're poorly and Jesus has made them better. The time is getting on and the sun is beginning to go down. The people are getting hungry and haven't got anything to eat. Jesus asks the disciples to find them something and a little boy comes forward with a bag in which he's got his supper. There are five barley loaves and two fishes. The boy is happy to share what he's got. Isn't that kind? That seems to be all the food that they can find. That isn't going to go very far, is it? Our naughty little sheep and his friends are very interested to hear what happens next.

Jesus blesses the food and then he asks the disciples to sit everyone down on the grass. He asks them to share the food out and they pass

the food around. Rather like the magic porridge pot, it goes on, and on and on. Everyone has plenty to eat and when the disciples tidy up afterwards there are twelve baskets of food left. How many? And five thousand people have had more than enough to eat. Wow that is some picnic! Our naughty little sheep and his friends are amazed. What a miracle! We think that the disciples must be a bit surprised, too. We've really enjoyed that story and we've sung some of our favourite songs about Fish and Bread, about Sharing and Eating. Always good. Lots of excellent jingling, too. Everyone is very good and quiet for our prayers as we thank God for all his gifts to us each day. We say the words that Jesus taught us. "The Lord's Prayer"

Then our service is over and we all go out into the hall for a drink and Katerina's biscuits. They are yummy, and much appreciated. Our naughty little sheep and his friends have rushed out to try them first. Quality control, I'm informed. Ho hum! Then they watch as the children play and Mums have a chance to catch up with each other. As always we have had a lovely time together and hopefully everyone will join us again for our next First Steps service on 13th March. Lucky for us, again, I'm sure.

God Bless

Sophie joined 11th Milton (Christ Church) Brownies in September 2015 having been a Rainbow and Brownie elsewhere. She has been awarded her 5 year anniversary badge celebrating her membership of Girlguiding. In 2018 Girlguiding introduced a new programme with the biggest changes seen for decades. The Gold award is the top award a girl can achieve in her age group. Special arrangements were put in place to enable girls to complete the Gold award if they do not have enough time left in their current section to complete this using the new programme (about two years).

Sophie had already gained her Adventure, Adventure On and many interest badges under the old programme as well as numerous Paw print and activity badges. To achieve her Gold award, Sophie completed one new interest badge from three of the six themes – Local history (Know Myself), Performing (Express Myself) and Languages (Skill for my Future). She organised the Brownie Christmas party – planning the games and food and running the activities – and visited the 3rd Milton (Christ Church) Rainbows to talk to them about being a Brownie. It was agreed that Sophie would receive her Gold award at the unit's Chinese New Year party. She requested that Priest Jacqueline be invited to make the presentation. Sophie's parents were present to see her receive her award. The Brownies enjoyed some Chinese food, a quiz, a chopsticks game and made money pockets before the

award ceremony, during which Sophie renewed her Promise and Priest Jacqueline presented her badge, commenting on how different they are to the ones she gained when she was a Brownie. Sophie is the first 11th Milton (Christ Church) Brownie to complete the award.

**Kent Fostering Service
Kent Carers for Kent children**

There are over 1000 children living in foster care with our 700 Kent County Council fostering families.

Our fostering families come from a wide variety of backgrounds which is needed because our children come from a range of backgrounds too Foster carers can be single, in a relationship, married, gay or straight, 18 years and over. Carers do not need to be home owners, but our carers do need a spare bedroom, have good physical and emotional health, energy, commitment, time, the motivation to make a real difference to a child's life and previous experience of caring for or working with children and young people.

The Kent Fostering Service particularly need homes for older children, brothers and sisters who need to stay together and disabled children (both long term and short breaks carers).

Short breaks carers provide short term care for disabled children- training is provided to meet a child's specific health and developmental needs. Some children and young people just need a short-term foster home whilst others need longer term homes and care until they are ready to live independently. Our young people deserve a sense of belonging to a family whilst also maintaining links with their birth family.

Emergency bed carers and assessment bed carers are needed for children and young people with complex presenting behaviours for a time limited period whilst plans are made for the young person's ongoing care.

Kent need foster carers for parent and child placements, which requires a particular skill set where additional training can be provided to build upon existing skills.

Our children and young people

Our Children and young people need caring families to meet their health, emotional, social and educational needs and to support them to develop a sense of identity and confidence in their own abilities. Many children are successfully returned home with their birth families whilst some children with more complex needs remain living with their foster family.

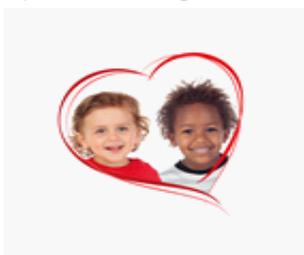

Fostering with Kent County Council provides a paid career offering the choice to complete a variety of training courses up to diploma level.

Kent foster carers are self-employed and earn from £264 to £446 per week (including a maintenance and reward element) with enhanced fees paid for children with higher level disabilities and additional needs and combined rates for parent and child placements. Foster carers receive generous tax relief (see HMRC)

Kent Foster carers have their own fostering social worker, support groups, access to out of hours support , membership to Fostertalk, Kent Foster Carers Association, access to specialist services such as Kent's Sense of belonging service (psychological outreach support and activity days for children),Kent virtual schools, the Children and young people's council and participation and appreciation events and all new carers have a foster carer buddy to offer guidance and support.

The fostering assessment process takes 6-8 months. Kent information events provide an opportunity to learn more about fostering and meet our foster carers.

For information please contact Kent's initial enquiry team on 03000 420002 and visit our website www.kentfostering.co.uk or follow Kent fostering on Facebook.

Report on Meeting of the Christ Church PCC on 16th January

The PCC welcomed the news that Revd Sally Womersley had been appointed vicar of Christ Church, and arrangements for her institution on Saturday 13th April at 2 p.m. were outlined.

Safeguarding was once again a major feature of the meeting, with Joan Bennett appointed as new Parish Children's Representative and co-opted onto the PCC. Tola Denloye was to be thanked for her previous service in the role. A Parish Safeguarding Committee was set up to co-ordinate all relevant matters, led by Jenny Shoesmith, Lead Recruiter with Joan, Angela Kirby - Parish Vulnerable Adults Representative, the two churchwardens, and Incumbent when appointed. Jenny presented a Report with seven recommendations for the PCC, all of which were accepted. We were well on the way to meeting Diocesan requirements. It was noted that the Fire Brigade no longer provide advice on safety matters.

Arrangements for the LGBT Service were discussed, it having been agreed with the Diocese. As a member of Inclusive Church, Christ Church would recognise and celebrate the achievements of LGBT communities throughout the ages. *'How wide and long and high and deep is the Love of God'*.

The PCC accepted the Parish Budget for 2019, noting that finances were tight with

income falling. There was considerable discussion about the Parish Share and it was agreed we were unable to provide the requested sum, which was a considerable increase on previous years. It was unanimously agreed that the Parish Offer will be £56,900, approximately £10,000 below the Diocesan proposal, but considered by the PCC to be the affordable sum, taking our financial situation into account.

The other main item was discussion on the state of our boilers, the one in church having broken down over Christmas but nursed through by Alan Perry, whose support at all hours was greatly appreciated. This saved large bills for repairs. The boiler is now working again but is in a vulnerable state. The hall boiler had not been providing sufficient heat in the evenings, but Andy Nailor, Parish Resources Officer, reported that engineers had been called in and it was anticipated matters would improve. It was agreed that consideration be given to commissioning a survey to look at the possibility of replacing the whole system.

Other matters discussed included: the Follow the Star initiative over Christmas had been very successful; the Creche at 10 o'clock was no longer active, the Children's area in the West End proving more popular, but thanks to Chris Williams for her co-ordinating role whilst it was in operation; the new duplicator was slower than its predecessor, but was much cheaper to run; and the Parish Hiring Agreement needed updating.

FIRST STEPS

Is a service especially designed for families with pre-school children, although all children in the family are welcome to come.

We meet in the church at 1.45pm on the second Wednesday in each month for a short service and then to enjoy a chat over a cup of tea.

We are finished in plenty of time for parents to meet their other children from school.

Why not come along with your children, you will be very welcome.

Next date is Wednesday 13 MARCH 2019.

David and the Giant

David was minding his sheep. He kept a careful eye on them. They must not wander off. No fierce wild animal must hurt them.

David was a shepherd-boy. He was good at his job. The sheep knew they were safe when David was minding them. He found them fields of juicy green grass. He led them to clear fresh water.

What David liked best was singing songs about God. He sang to God thanking and praising him and also asking for things too. David loved God. One of his songs went like this...

“God is my shepherd, so I have everything I need.
He finds me fields of juicy green grass.
He leads me to clear fresh water.
He guides me on the right paths.
Even when it’s dark, I need not be afraid,
because God is with me, keeping me safe.
God is my good shepherd.”

“David! David!” One of his brothers shouted. “Go home at once someone called Samuel wants to see you.”

God had sent Samuel to David’s house to choose the next king. God was not pleased with King Saul who ruled.

The People from the Sea had come to fight King Saul and amongst them was a giant called Goliath. He was enormous and everyone was frightened of him.

Three of David’s brothers were amongst King Saul’s army, and David was asked by his father to take some food to them. David got there just at the time when Goliath was shouting and daring anyone to fight him. “I’m not scared,” David said. “I’ll fight him!”

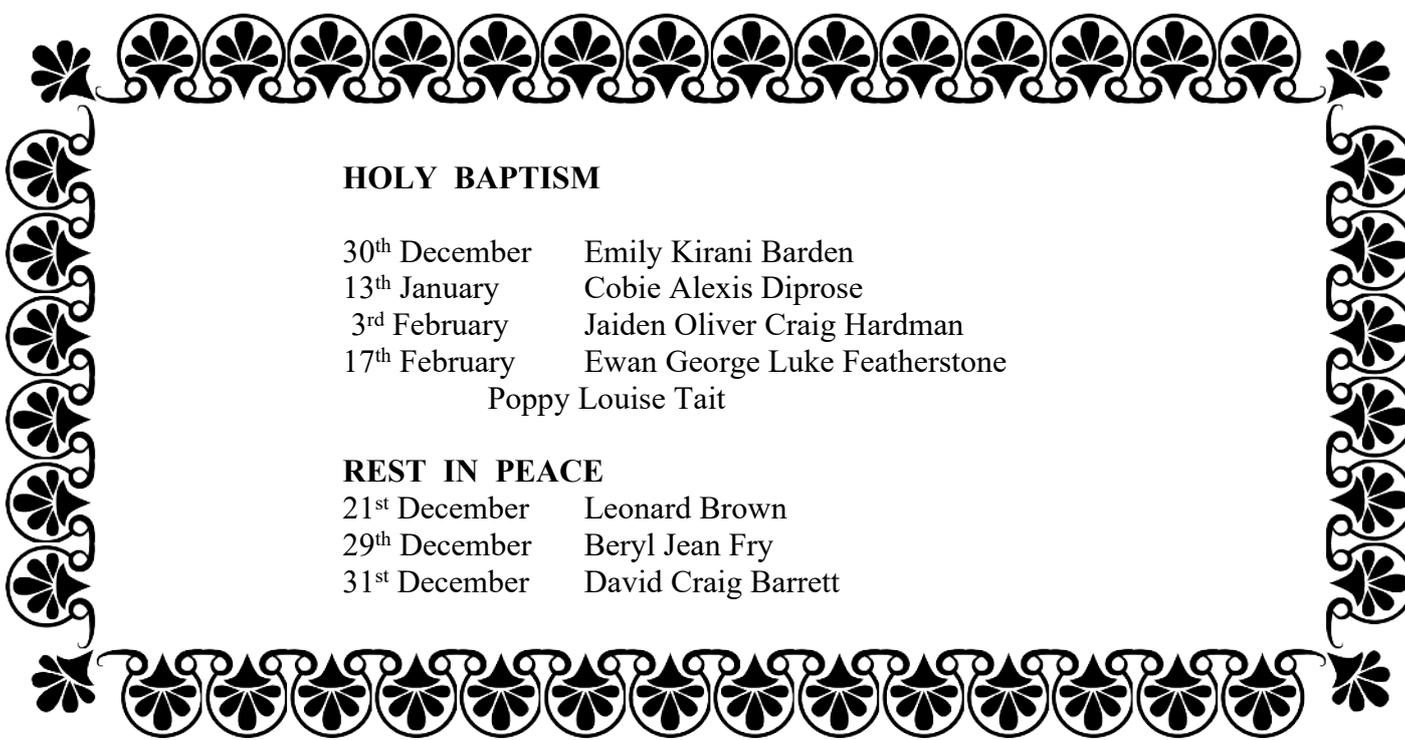

The king heard him. “But you’re only a boy,” he said. But he agreed to let him try to kill the giant.

So David took his strong stick and went down to the stream. He chose five smooth stones to fit his shepherd’s sling. Then he went to fight the giant.

“What’s this?” the giant roared. “A boy with a stick, come to fight ME?”
“God doesn’t need big men with swords to save his people,” David answered. He took one of the five smooth stones, and fired it from his

sling: WHIZZ!

The stone hit Goliath right on the forehead and knocked him flat. David cut off Goliath’s head with the giant’s own sword. King Saul’s army cheered and cheered – and the people from the sea all ran away!
