WORKING PARTY

'In order to save on expensive cleaning and maintenance, we hold a monthly working party on a Saturday morning starting at 09.30.

Together we clean and tidy the church, do a bit of necessary DIY or gardening, have a coffee and often some home-made goodies – and finish by about 11.30.

We are enormously grateful to the few loyal helpers who turn up month after month – but we desperately need a few more.

Please consider putting the dates into your diary and coming along. All are welcome – if you can do basic DIY please let us know in advance so that the churchwardens can plan jobs in advance.

Working party is normally on the second Saturday of each month...

NOTE the next ones will be on Friday 5 and Saturday 6 APRIL at 9.30.

See you there, JAN

FIRST STEPS
13TH MARCH 2019
THE LOST SHEEP

We are all up to a very blustery March morning. There are clouds and signs of brightness with the threat of heavy showers. Our naughty little sheep isn't really sure what to make of the weather. Is it going to be nice or is it going to be wet and horrible? We just don't know. When he, his friends and I walk up to church for our First Steps service in the afternoon, it is still very windy though we haven't had any rain yet. In church and they all find themselves a comfortable spot to sit as and watch while I busy myself getting thing ready for our service. Linda and Jan come along to help, followed by Anne who is going to play the piano for us. When we are all ready we wait to see if anyone will come to join us. At last Katerina and little Annabelle arrive. Annabelle is wearing a very nice woolly hat, orange with a big pompom and Katerina has a very fetching navy beret, sensible for keeping out the wind. Where is everyone else? Have they been blown away by the wind or are they toasty and warm indoors?

Annabelle has found several jingle bells, one of which she has kindly given to me. So when we are all ready, we begin our little service. Our story today is about the lost sheep and it is one of our naughty little sheep's favourites. He and his friends listen intently as we hear about the shepherd on the hillside looking after his sheep. Though he's got lots and lots, he knows each one of them and he loves them all. They are very important to him. The shepherd knows that a lot of danger for his sheep to face on the hillside and so he looks after them very carefully. At night there are dangerous animals prowling about, so he makes sure that they are all safe in their sheep pen.

Horror of horrors, one night as he counts them all in, he realises that one is missing. How can

that possibly have happened? There is only one thing that he can do. Out he goes into the dark night to find the one that is missing. He peers into the gloom and listens as hard as he can. He wanders up onto rocky crags and down the steep sides of the hills and eventually he hears a tiny sound like that of a frightened little sheep. The shepherd reaches down and picks up the trembling sheep, carrying it over his shoulder until he can put it safely back into the sheep fold with the others. And when he catches up with the other shepherds he tells them the tale of his lost sheep and how pleased and happy he is to have it back once again. Jesus is telling us how precious and special we are to God and if we stray from His path, He will always come and look for us until we are back safely with Him again. Our naughty little sheep thinks that it is such a lovely story with a very happy ending and he does love a happy ending. Annabelle has been such a good girl, jingling bells and making very good sheep noises, "Baa baa" Once again we have sung some of our favourite songs about our beautiful world, the people we love and we've even sung about frogs! When we have finished saying our prayers it is time to go into the hall for a drink and chocolate caramel biscuits. Yum! Our naughty little sheep and his friends ask very nicely if they can have two. In Lent! Surely not! They have really enjoyed watching Annabelle play in the cars and with the other toys. She has even coloured in a picture for her Mum. And we've all had a chance to chat, too. We do hope that a few more will join us for our next First Steps service on 10th April but we have all had a lovely time together this afternoon. Quality time!

God Bless Rosemary Austin.

ELECTORAL ROLL

Every 7 years the Electoral Roll has to be revised . At the end of this month we shall begin the process of revising thje current Electoral Roll which is hopelessly out of date due to people moving or passing away.

Everyone will have to re-apply to be included on the new Electoral Roll.

This means that you will have to fill up one of the forms at the back of the church and hand it to a priest or churchwarden. This will give us a realistic picture of current membership. Those on the Electoral Roll are, of course, eligible for election to the various church offices.

So don't forget to sign up ! You will receive plenty of reminders.

Sally Womersley: Biography

I grew up in Blackpool, Lancashire (later defecting to Yorkshire!). After leaving school I studied Drama and Theatre Arts joining the local repertory company. After several years in various roles in the customer service industry, I joined English Heritage as custodian at Brodsworth Hall in South Yorkshire. Later, I was able to combine my love of history and my role as sacrist in the church when I became verger at Canterbury Cathedral (a happy and spiritually enriching time for me).

After several years at the Cathedral I was appointed Community Outreach worker in Highwoods, Colchester. During this time, I gradually became aware that God might be calling me elsewhere and I spent a year as Pastoral Assistant at St Matthew's, Westminster exploring vocation to ordination.

I trained for ordination at Westcott House, Cambridge and Berkeley Divinity School at Yale University. I returned to Canterbury diocese and was ordained in 2008 serving my title post in a cluster of 7 rural parishes in Ashford deanery. After curacy, I joined the chaplaincy team at Canterbury Christ Church University (a happy and fulfilling time among students and staff). I am coming to you from my post as Team Vicar of 7 lovely rural parishes in the Benefice of North Hinckford (north Essex), in the diocese of Chelmsford.

In my spare time I like to socialise, and my interests include the creative arts; I enjoy live theatre, and film. I have an eclectic taste in music and love singing and dancing (though, not usually at the same time!). I enjoy travel and visiting historical places (I have a particular passion for Italy!)

Thank you for already making me feel so welcome. I'm very much looking forward to getting to know you all here at Christ Church, and meeting friends and colleagues from around the deanery and diocese.

Sally.

Kent Fostering Service **Kent Carers for Kent children**

There are over 1000 children living in foster care with our 700 Kent County Council fostering families.

Our fostering families come from a wide variety of backgrounds which is needed because our children come from a range of backgrounds too Foster carers can be single, in a relationship, married, gay or straight, 18 years and over. Carers do not need to be home owners, but our carers do need a spare bedroom, have good physical and emotional health, energy, commitment, time, the motivation to make a real difference to a child's life and previous experience of caring for or working with children and young people.

The Kent Fostering Service particularly need homes for older children, brothers and sisters who need to stay together and disabled children (both long term and short breaks carers).

Short breaks carers provide short term care for disabled children- training is provided to meet a child's specific health and developmental needs. Some children and young people just need a short-term foster home whilst others need longer term homes and care until they are ready to live independently. Our young people deserve a sense of belonging to a family whilst also maintaining links with their birth family.

Emergency bed carers and assessment bed carers are needed for children and young people with complex presenting behaviours for a time limited period whilst plans are made for the young person's ongoing care.

Kent need foster carers for parent and child placements, which requires a particular skill set where additional training can be provided to build upon existing skills.

Our children and young people

Our Children and young people need caring families to meet their health, emotional, social and educational needs and to support them to develop a sense of identity and confidence in their own abilities. Many children are successfully returned home with their birth families whilst some children with more complex needs remain living with their foster family.

Fostering with Kent County Council provides a paid career offering the choice to complete a variety of training courses up to diploma level.

Kent foster carers are self-employed and earn from £264 to £446 per week (including a maintenance and reward element) with enhanced fees paid for children with higher level disabilities and additional needs and combined rates for parent and child placements. Foster carers receive generous tax relief (see HMRC)

Kent Foster carers have their own fostering social worker, support groups, access to out of hours support , membership to Fostertalk, Kent Foster Carers Association, access to specialist services such as Kent's Sense of belonging service (psychological outreach support and activity days for children),Kent virtual schools, the Children and young people's council and participation and appreciation events and all new carers have a foster carer buddy to offer guidance and support.

The fostering assessment process takes 6-8 months. Kent information events provide an opportunity to learn more about fostering and meet our foster carers.

For information please contact Kent's initial enquiry team on 03000 420002 and visit our website www.kentfostering.co.uk or follow Kent fostering on Facebook.

Christ Church Brownies completed a "Strike a light" activity. They decorated flower shaped wooden tea light holders. After learning how to strike a match safely and discussing how to stay safe they each had a turn striking a match and lighting their tea light. They then enjoyed eating toasted marshmallows. The Brownies agreed the activity was good fun. For some it was the first time they had struck a match.

No prizes in this occasional feature, but give it a try just for a bit of fun

Best Friends

David came to stay at the palace after he killed the giant. King Saul had a son - Prince Jonathan. As soon as they met, Jonathan and David were friends, best friends. They promised to be friends forever.

King Saul had bad moods and David cheered him up. Every day, David played his harp and sang for the king

Suddenly, the king threw his spear at David - he only just escaped!

The king was jealous of David. David was a hero because he had killed Goliath. People loved David more than they loved King Saul.

King Saul was so jealous, he wanted to hurt David. Jonathan was worried. "Why do you want to hurt my friend David?" Jonathan asked his father. "Didn't he fight Goliath for you? He might have been killed.

The king was ashamed of himself. "You are right," he said. "I won't hurt David. I promise." But one day King Saul threw his spear at David again. That night David escaped from the palace. David's place at the table was empty. "Where is he?" Asked the king "he's gone away," said Jonathan.

King Saul did not like Jonathan taking sides with David. He flew into a rage. Jonathan went to the friends' secret meeting-place. "The king really means to hurt you," he said to David. "You must go right away. It's not safe to come back." They hugged and cried as they could not be together now. But they were still best friends and stayed best friends for ever.

Christ Church 200 Club

The 200 Club is a means of raising money for the Christ Church General Fund, which supports the Ministry and Mission of the church and Good Causes as agreed by the PCC, whilst at the same time giving members the opportunity of a small 'flutter' and the chance to win some money.

Membership costs £30 per year. Fifty percent of all monthly donations are given over to the Christ Church General Fund with the remainder being returned to the membership in prize money. The draw is made on the fourth Sunday of every month in the hall after the morning service.

Payment can be made by an annual sum of £30, a quarterly payment of £7.50 or a monthly payment of £2.50, the latter two by bankers order. Cheques should be made payable to Christ Church PCC No 3 account.

Join by contacting John Thrush, in church, and completing an application form. If you are not sure who John is, ask one of the sides people and they will point you in the right direction.

Winning chances are only limited by the amount of numbers you purchase, the more you have the better your chance of winning.

Worthwhile it certainly is, since its inception the 200 Club has donated over £40,000 to Christ Church to support its Ministry and Good Causes.
