Action for Children invite you to Join them for 40 days of making life better for children across the UK.

They have created an inspiring calendar of activities. Each day, you'll be asked to do something meaningful. It might be giving money to those in need, saying a prayer for a child, or spreading the word about our work.

You will find copy of the calendar [here](#).

On the Circuit website, you can access regularly updated worship materials, each week, we publish a pastoral letter, usually written by Rev Tim Perkins, or another of our one of our preaching staff. Download the latest letter [here](#).

New! – Thought for the week – a spiritual smorgasbord

Each week, our preachers will bring you an eclectic mix of reflections, poems or prayers as a thought for the week.

No Child Cold this winter

21,000 children across Bradford district need your help!

During the lockdown, thousands of children are stuck at home. Many families in our district are struggling to heat their homes while their children are learning.

We want to ensure no child is unable to learn, or have their health suffer, because they are too cold.

A new short-term fund is appealing for donations. Donations will be used to give grants through Citizens Advice Bureau to families. For referral, families need to contact school, food banks or the advice agencies.

Help make a difference to children in our district and help to make sure we have “ No Child Cold” this lockdown. www.virginmoneygiving.com/fund/NoChildCold

Another pragmatic way to support this initiative is to donate warm children’s clothing (hats, scarfs, blankets and warm jumpers etc).

These can be dropped into church on Friday afternoons 12th & 19th February.
