What Are The Beliefs That Divide?

Notes from the session

In trying to come to terms with 'Contradictory Convictions' we had an open session on what are seen as the 'Beliefs That Divide'.

Meaning of Jesus' death and resurrection

The supernatural view of God

Modern theology and traditional Christianity

Truth – one or many (and the place of fundamentalism of all sorts)

The ability to lovingly respect 'difference'

One God or many

The power of God and intervention

Unfortunately, I cannot locate the notes I took during the session.
