Just because we can't be together, doesn't mean we can't connect.

Lockdown has brought frustration, loneliness and the feeling of withdrawal from the world.

Reconnect each Sunday morning at 10:00am with our short, informal and friendly service hosted via Zoom.

Email office@christchurchilkley.org.uk or rev.robertatopham@gmail.com for more details, or to request the link.

On the Circuit website, you can access regularly updated worship materials, each week, we publish a pastoral letter, usually written by Rev Tim Perkins, or another of our one of our preaching staff. Download the latest letter [here](#).

Thought for the week – a spiritual smorgasbord

Each week, our preachers will bring you an eclectic mix of reflections, poems or prayers as a thought for the week.

Our Administrator, has been shuffling and wheezing around the streets of Otley for the last two and a bit weeks, trying to run 56 Miles in February; a challenge to raise funds for Cancer Research.

In the last few days he has finally made up the miles to get back on target after the recent snow, ice and torrential rain which hindered progress.

To date he, and his wife Gillian, have run 39 miles of the 56.

If you could see your way to chucking a couple of quid to his fundraiser via the link below, it would greatly encourage him as he tackles the rest of the month!
