For Your Prayers

- Praise God for more testimonies this week of answered prayer in regard to people suffering from Covid-19
- Continued prayer for healthcare workers, especially as there appears to be a second increase in the number of Covid-related cases, following the easing of lockdown restrictions. Pray that this is only a temporary spike.
- Pray for the family and community of George Floyd, killed in America by state police. Pray that this will be a pivotal moment, not only in the United States but in global history, that this will provide the urgent impetus to redress the social inequalities that has caused so much outrage and pray that each of us will take time to learn and consider how we should respond to this situation. (Look out for a statement on this on our website and Facebook in the near future.)
- Pray for those that struggle with loneliness during lockdown and those folk who struggle to understand what it's about.
- Pray for those that have had hospital appointments cancelled and may be anxious about other health concerns.
- Pray for teachers and pupils who have returned to school and for the children still learning at home.
- Pray for those who are confronted by the weakness, distress and confusion of mental illness.
- Pray for those whose income or work has been affected by COVID; thank God that he our provider.

Grace Course - STARTING TONIGHT

Jackie Lyon and I will be co-hosting the Grace Course (another course from Freedom in Christ Ministries) starting Sunday 7th June from 7-9pm, for 6 weeks. If you benefitted from the Freedom in Christ course you will enjoy this too, but even if you haven't done that course you can join. We will be using Zoom, and the course is DVD led with the opportunity to break into small groups for discussion. Please let me know if you would like to join in - I will send the link via email. Eileen Jones

"The Grace Course is a tool for churches to help Christians recover their first love for God so that they go on to love others and make a great impact on the world. Its objective is to enable Christians to experience God's grace in such a deep and real way that love for Him becomes the main motivator in their lives."

Small Groups

Several of our small groups are meeting regularly via Zoom; It's A Man Thing on a Wednesday and two small groups who meet on Thursday. If you would be interested in joining any of these groups, let Kerry know who can provide you with the joining instructions.

Online Services

We'd love to hear from you if you think you could occasionally help with getting our services online. Leo is doing a wonderful job but would appreciate a break every now and then. You'd need to have some video editing skills and have a reasonable amount of available memory on your PC. For more details, contact Kerry. Thank you.
