### For Your Prayers

- Give thanks that the number of new COVID cases is dropping and for the general health of Trinity members' and friends throughout this crisis.
- Pray for those who are still grieving the loss of loved ones.
- Pray for the persecuted church, who are often suffering more at the moment as many are not permitted access to financial or medical support unless they renounce their faith.
- Pray for Andy and the Deacons as they work through multiple questions in planning for how and when we could begin to transition back to meeting together again - and what that might look like in the medium and longer term, as restrictions slowly ease.
- Pray for the government to make wise decisions in the management of COVID-19 and of the economy, and in their response to the calls for racial justice to be given priority.
- Continue to pray for all frontline workers in the fight against COVID-19.
- Pray for those whose income or work has been affected by COVID; thank God that he is our provider.
