Reopening Update

Although the government is allowing places of worship to reopen now, there is much work to be done in assessing the risks specific to Trinity's building and in ensuring that any return can be safely achieved within the rules and restrictions that the government has laid down. Andy and the Deacons are working through the implications of these restrictions and will be consulting with members and friends before deciding when and how to re-open. We do not envisage re-opening in any way before September at the earliest, and at that point any re-opening is likely to still look very different to how we experienced church before lockdown.

For Your Prayers

- Give thanks for the care that has been shown within the congregation as people have stepped up to support one another through the buddy scheme and in other ways.
- Pray for those who continue to feel lonely or detached from loved ones because of COVID-restrictions, especially those who are shielding, those who are over 70, and children who are missing friends.
- Pray for Andy and the Deacons as they work through multiple questions in planning for how and when we could begin to transition back to meeting together again.
- Pray for those whose income or work has been affected by COVID; thank God that he is our provider.
