For Your Prayers

- Give thanks for easing of lockdown and reduction in COVID-19 cases meaning we can begin to consider reopening. Pray for Andy and the Deacons as they consider the many factors in allowing as many people as possible to access it in a safe way.
- Pray for those known to us who are teachers, work in schools or with our children and youth at Trinity. May they receive good rest over the summer holidays and God's wisdom to know how best to run the next academic year.
- Pray for Andy Banks and the rest of the family as they take time off together. Pray this will be a time of rest and re-energising for Andy. Pray too for each of the Deacons as they work on the reopening of Trinity alongside their own jobs and responsibilities.
- Pray for those overseeing the renovations on the manse. Tenders should have been received this week, pray for those considering them all and deciding the next steps.
- Pray for the team running Spark@ Home. Pray that the Church can be as much of a blessing to our community as when Spark runs in person.

Reopening Update

Following the church meeting discussion about reopening for church services, please look out for details in the coming days for how the Deacons plan to do so safely and within the social distancing guidelines. The current plan is to live stream services from September so that as many as possible can take part, even if it isn't possible to attend in person. The present YouTube and Zoom arrangement will continue until we live stream from the chapel.
