Caring for Jora

Last week we told you about 3 year old Jora, a relative by marriage of Geraldine and Terry Alliston, living in Kosovo, who has been diagnosed with leukaemia alongside having COVID-19.

Geraldine has set up a donation page for the family because they are incurring high expenses on medication, food, bedding, travel and accommodation. Please consider supporting the family in their fight to bring Jora back to full health. Thank you.

Congratulations!

Congratulations to Catherine and Rob Gould and soon-to-be big brother Jack on the news they are expecting another baby in May.
