Coming to GodZone

Please remember that in order to minimise sharing of resources, when children come out to GodZone, we need them to bring a drink, snack (no nuts please) and a pencil case. Thank you.

For Your Prayers

- Praise God for good restart to Gathered Prayers on Zoom.
- Continue to pray for those who are grieving the loss of loved ones.
- Pray for our children, young people and university students as they settle into the new academic year
- Pray for those who are housebound.

Update from Andrew and Sara Harwood

On Monday 20 September we are reopening our weekly support group for refugees and asylum seekers, with two drop-in sessions, one in the morning and one in the afternoon. We rejoice that we have lots of new and some younger volunteers. Please pray for the detailed preparations, Covid safety measures and all the logistics of regathering after an 18-month break during the pandemic. We're so excited to be able to welcome back many vulnerable and needy people. Sara is also helping with the Monday sessions for the first time.

My prayer for more evangelistically focused Christians to volunteer has been answered, with several OM colleagues and other believers joining as volunteers. My longing is to see refugees who don't know Jesus being reached with His love through our holistic approach.

We are thankful for a great outpouring of support for Afghan refugees in our area and growing collaboration from faith groups, statutory and voluntary organisations in helping refugees and asylum seekers.

Church Members Meeting

The next church members meeting will be held on Sunday 24th September at 12.15 pm on Zoom. The agenda will be circulated shortly.

Annual Leave

Our Pastoral Care Worker Janet Grist will be on annual leave between the 17—24th September; any pastoral matters should be addressed to Andy during this time.

Children's & Youth Medical Details

A reminder to all parents that you have been emailed this week asking for updated medical details for your child/ren—please respond to Kerry, whether or not your child/ren has any medical concerns..
