Temporary GodZone Worker Needed

We are in need of a temporary GodZone helper to join Gamma group for a few months to cover illness. This will involve helping the children with activities planned and taught by the group leader. If you think this is something you could help out with then please contact Debs Harmer.

For Your Prayers

- Give thanks for the joy of being able to fellowship together on Sunday mornings.
- Give thanks that covid cases numbers are reducing in Bexley.
- Give thanks that Janet and Peter Dallman are now out of isolation after their return to Japan. Pray for them to find a church and a home to settle into.
- Pray for NHS staff and key workers who face extra pressure of staff shortages at this time of high infections.
- Pray for those known to us suffering with or recovering from covid and long-covid.
- Pray for volunteers to help restart a toddler group at Trinity.

Noon Church Members Meeting in the Chapel.

Church Members Meeting

A Church Members Meeting will take place at Noon in the chapel today. The agenda was circulated via email on the 12th January. Please come an attitude of prayer and worship to discern together God's will for His church.

Pending Covid Regulation Change

The leadership team have noted the change in the regulations regarding masks as of 26th January and will be discussing it on Monday at the deacons meeting. The fellowship will be informed as to our response. For Sunday 23rd January, masks remain mandatory except for exemptions.

Trinity Tots Playgroup

Plans for our new playgroup are coming along well. I have renamed the group Trinity Tots Playgroup and also designed a new logo. Our aim was to start the new group in January, however with the worsening covid situation we made the decision to delay the start until after February half term. We have had lots of good quality toys donated and have also purchased some new resources, all of which will be valuable in enabling us to set up an exciting and varied environment for the children to enjoy each week. Plans and procedures are all in place and I have prepared all the necessary paperwork.

However, at this current time I do not have a team in place to enable me to go ahead with the opening of this new playgroup and I need at least 3 more people in order to start the group in February as planned.

I want to build a team big enough to ensure we can provide the best possible experience for the families who attend. My aim is for us to have the flexibility to spend time talking to the families so we can build relationships, alongside managing the environment and providing refreshments and other activities. If you are available on a Wednesday morning and feel that you would like to get involved in welcoming new families into Trinity each week and showing them what it is like to be part of our Trinity family, then please get in touch.
