ChurchSuite

ChurchSuite is the system we use to manage our database of members and friends, the church diary and rotas. It's a really useful tool for keeping up to date with what's going on at Trinity and having the most up to date contact details to hand. It can be accessed on a laptop or via the ChurchSuite app.

Over the next few weeks, we will be highlighting different ways you can use ChurchSuite, but first, if you need help accessing ChurchSuite, please email Kerry O'Sullivan
