

How Deep The Father's Love For Us

How deep the Father's love for us
How vast beyond all measure
That He should give His only Son
To make a wretch His treasure

How great the pain of searing loss
The Father turns His face away
As wounds which mar the Chosen One
Bring many sons to glory

Behold the man upon a cross
My sin upon His shoulders
Ashamed, I hear my mocking voice
Call out among the scoffers

It was my sin that held Him there
Until it was accomplished
His dying breath has brought me life
I know that it is finished

I will not boast in anything
No gifts, no power, no wisdom
But I will boast in Jesus Christ
His death and resurrection

Why should I gain from His reward?
I cannot give an answer
But this I know with all my heart
His wounds have paid my ransom

When I Survey The Wondrous Cross

When I survey the wondrous cross
On which the Prince of Glory died
My richest gain I count but loss
And pour contempt on all my pride
Forbid me Lord that I should boast
Save in the death of Christ, my God
All the vain things that charm me most
I sacrifice them to His blood

See, from His head, His hands, His feet
Sorrow and love flow mingled down
Did e'er such love and Sorrow meet
Or thorns compose so rich a crown

Were the whole realm of nature mine
That were an offering far too small
Love so amazing, so divine
Demands my soul, my life, my all

When I Survey The Wondrous Cross lyrics © Theodore Presser Company, Hinshaw Music, Inc.

There Is a Redeemer

There is a redeemer
Jesus, God's own Son
Precious Lamb of God, Messiah
Holy One

Thank you, oh my father
For giving us Your Son
And leaving Your Spirit
'Til the work on Earth is done

Jesus my redeemer
Name above all names
Precious Lamb of God, Messiah
Oh, for sinners slain

Thank you, oh my father
For giving us Your Son
And leaving Your Spirit
'Til the work on Earth is done

When I stand in Glory
I will see His face
And there I'll serve my King forever
In that Holy Place

Thank you, oh my father
For giving us Your Son
And leaving Your Spirit
'Til the work on Earth is done (x 2)
