## Mission Matters: an appeal from Eric.

“I am coming close to the end of the list of people whom I identified as having something to put forward in the Mission Matters slots each Sunday. If anyone has something they would like the congregation to know about, then they should contact me and I will be able to give them a date when they will be fitted in.”

Thank you,  
Eric

Does your energy and enthusiasm for engaging with local people to share Jesus match our vision and aspiration? We do hope so!

We are looking for someone who has a passion to engage with children and families and the community at large. Someone who has a living relationship with Jesus and is creative and has a desire to share Jesus with the local community in innovative ways and help us take existing projects forward and develop new ones.

Existing projects include:

- a lunch club in a Primary School
- a fortnightly 'Stitch to Enrich' group
- creative church on a Saturday for families using drama and craft
- Open the Book in Primary schools

If you have experience of working with children and families, in a church or community related context, and believe you can help us continue and expand this ministry, we would love to hear from you.
