Dear Neighbour,

I am writing to you from St Paul's Church Barton, your local church on Stapler's road. As your local pastor, both I and the leadership team in the church are keen to connect and support our local community.

Given this, I wanted to ask if there is something you want us to do for you as a church? Do you have a prayer request or someone you would like us to pray for?

As a church, we have seen Jesus heal and bring answers to our prayers. We can pray for you.

Having seen what is going on in the world, we are aware that many feel anxious and afraid about the war, the cost of living and the ongoing refugee crisis amongst many other concerns. We can bring all these things to God in prayer.

If you need someone to pray for you or want to visit our church to see what we do. Please give us a call on this number - **01983590475** or email us at **stpaulsbarton@hotmail.co.uk** or better still, you can just pop in at 10 am on any Sunday to see one of our team. Here is the postcode - **PO30 2HZ**.

In the meantime, do know that as a church we care for you, and your family and we are praying for everyone in our community.

We look forward to seeing you in church soon.
