INTRODUCTION: GETTING STARTED

Therefore, since we are surrounded by such a huge crowd of witnesses to the life of faith, let us strip off every weight that slows us down, especially the sin that so easily trips us up. And let us run with endurance the race God has set before us.

Hebrews 12:1

Life is hard; it seems to be full of an intimidating stream of choices, responsibilities and life-making-or-breaking decisions and it can be hard to know what to do or where to turn. In the midst of all of the hustle and bustle of our everyday, it can seem almost impossible to find God, let alone hear what He might be saying or to spend time getting to know Him better.

We understand that having a faith isn't always easy – there are lots of questions to be asked and challenges to be found; but what we do know is that following Jesus is worth it.

Jesus told us he came so that we may have life and have it to the full (John 10:10), so why not spend some time journeying with us find to out what it really means to follow this man who lived over 2000 years ago?

This journal is here to help you walk with God – whether you are just starting out or whether you have been on the path for a while. There are sections for each of the six sessions for drawing, doodling, writing and pondering – this is your space, how will you use it?

TOP TIPS

USE THIS JOURNAL

This journal is for you and no-one else. Doodle, write, draw, scribble...use it to start a conversation with God.

DOWNLOAD THE APP

If you can, download the Remind App from GooglePlay or the Apple Store and sign up to the "@ywol-rtr" class, to receive daily encouraging texts.

ASK QUESTIONS

Don't be afraid to ask questions! For all you know, someone else might be thinking the exact same thing.

DON'T COMPARE

Don't compare your journal to anyone else's. We are all journeying with God and that is different for each of us. Run your own race – it's between you and God.

PRACTICE MAKES PERFECT

If at first you don't succeed in reading the Bible or praying, keep trying and then try again! It's a great way to get to know God.

PRAY

Praying is just talking to God. Ask Him questions or tell Him things – what have you got to lose?

Draw your journey from week to week.

Where are the highs and lows?

Which bits of your week do you enjoy / not enjoy?

THE COMMISSION: GOING FORWARD

This may be the end of the journey with the *Way of Life - Easy-access, interactive, informal* sessions but we pray you continue to run the race in the days, weeks, months and years ahead.

We truly believe that faith is not a sprint but rather it is a marathon; and one which takes training, trying and trusting to keep going.

Here are some of our top tips for you and your group as you continue on the journey:

BRINGING THE BIBLE TO LIFE

If colouring is your thing, find some biblical colouring to spend time focussing on the word and creating something beautiful. If writing is your thing, get a Bible with space to make notes.

PRAYER JOURNALLING

Keeping a prayer diary can be a great way to see how God is moving in our lives. It can also be helpful to look back at our conversations with God and see how our relationship has changed.

DOWNLOAD A BIBLE APP

Download a daily Bible reading app which will help you read the Bible each day and understand the passage/s - don't forget to find a translation that works for you (the NIV, NLT and Message translations are good places to start.)

PRAYER PARTNERS

Find someone – or a few people – to meet regularly with; to pray with, chat with, share where you're at with God with and grow together with.

KEEP ASKING QUESTIONS

Never be afraid to ask questions. It's good to ask and there is always more to learn – whether you're just starting out or have been running the race for a while!

KEEP RUNNING THE RACE!

Here's the big one...don't give up! God is on your side – no matter what. Life won't always be easy, but Jesus promises that he is with us; always

We hope this resource has helped you a little along the way and our prayer for you and your group going forward in all that is to come is this;

May you turn to God each new day,
May you find peace when you pray,
May you love others just as God loves you,
May all you say be good and true.
May you in the world be a shining light
May you defend what is just and right.
May you turn to God and draw ever near,
May you find Him now, may you find Him here.

Amen.

And finally;

“So here's what I want you to do, God helping you:
Take your everyday, ordinary life — your sleeping,
eating, going-to-work, and walking-around life—
and place it before God as an offering.”

Romans 12:1 (The Message)
