

A new book from Christians Aware & The Melanesian Mission

# SEEKING PEACE IN THE PACIFIC

## The Story of Conflict and Christianity in the Central Solomon Islands

by **Brian Macdonald-Milne**

*"There are many books that are born out of a lifetime of intimate relationships and experiences with a particular context and people. This is one of them! The Anglican Church of Melanesia is grateful and indebted to Fr. Brian Macdonald-Milne for his many years of service to the Church and people of the Solomon Islands, and for his contributions through this work to the limited annals of recorded history written about the Church and this archipelago. We commend this historical work. Brian is someone with a lifetime of passion for our people, islands, languages, cultures and history from the very beginning of his vocation."*

**The Revd Nigel Kelaepa**  
Secretary of The Melanesian Board of Mission

*"This book is a treasure. It has resurrected and breathed new and fresh life into our Melanesian history. I commend it to those who want to study Pacific Church History and any who have a desire to be a missionary."*

**Willie Alaha Pwa'Isiho**  
Assistant Bishop of Chester  
Former Bishop of Malaita, Solomon Islands
