Thank you for your interest in the post of **Diocesan Director of Ordinands**.

Supporting the selection process for candidates for ordained ministry is a task of significant importance, both for the church and for the lives of the individuals concerned.

As the Sponsoring Bishop, I look forward to working with a DDO who is excited by the possibilities of furthering the mission and ministry of the Church in inherited and new ways, and even daunted by the responsibility this involves.

Every blessing as you ponder whether to apply,
and if you do, I look forward to meeting you.
