Safeguarding Learning Pathway Leadership

Promoting a Safer Church

Session 1

A soft-focus background image featuring a white dove in flight, its wings spread wide, positioned above a human hand reaching upwards. The scene is set against a pale, hazy sky with wispy clouds, creating a peaceful and hopeful atmosphere.

Loving God,

We come to you in the knowledge that you hold all your children in unconditional love.

We lift to you those who are vulnerable and in need of protection. Give them your safety, comfort and peace.

We cry to you for those who are hurting and whose trust has been broken. Give them your healing, restoration and justice.

For those who have caused your children to stumble, lead them to seek your forgiveness and to enter into true repentance.

Thank you for all who give their time, knowledge, and skills to make our communities safer. Give them your wisdom, guidance and grace.

For ourselves, we ask you to give us your heart for the vulnerable, the oppressed, the voiceless and the forgotten.

Help us to see them as you see them; to value them as you value them, and to nurture and protect them as you desire.

Help each one of us play our part in creating safer places for all your people.

Amen.

Session 1

Learning outcomes

- **Understand** how safeguarding concerns and abuse can be prevented within their context.
- **Understand** how healthy culture, and safe and effective leadership, shape Christian communities that are healthy, safe, and have the capacity to deliver high quality safeguarding practices.
- **Recognise** when risk assessment and management processes are required, understanding when, why and how they must be utilised.
- **Understand** more of the impact that abuse and trauma have on individuals' lives, relationships, and interactions in a community setting, leading to better responses to victims and survivors.
- **Evaluate** their learning and translate this into an individual plan of action that will improve their safeguarding practice and responses.

Standard

1

PREVENTION

Church Bodies have in place a planned range of measures which together are effective in preventing abuse in their context.

Standard

2

CULTURE, LEADERSHIP AND CAPACITY

Church bodies have the safe and healthy culture, effective leadership, resourcing and scrutiny arrangements necessary to deliver high quality safeguarding practices and outcomes.

Standard

3

RECOGNISING, ASSESSING AND MANAGING RISK

Risk assessments, Safeguarding Agreements and associated processes are of a high standard and result in positive outcomes. The assessment and management of risk is underpinned by effective partnership working.

Standard

4

VICTIMS AND SURVIVORS

Victims and survivors experience the timeliness and quality of Church bodies' responses to disclosures, and their subsequent support, as positively helping the healing process and meeting their needs.

Standard

5

LEARNING, SUPERVISION AND SUPPORT

All those engaged in safeguarding related activity in Church bodies receive the type and level of learning, professional development, support and supervision necessary to respond to safeguarding situations, victims and survivors, and respondents, effectively.

Session 1

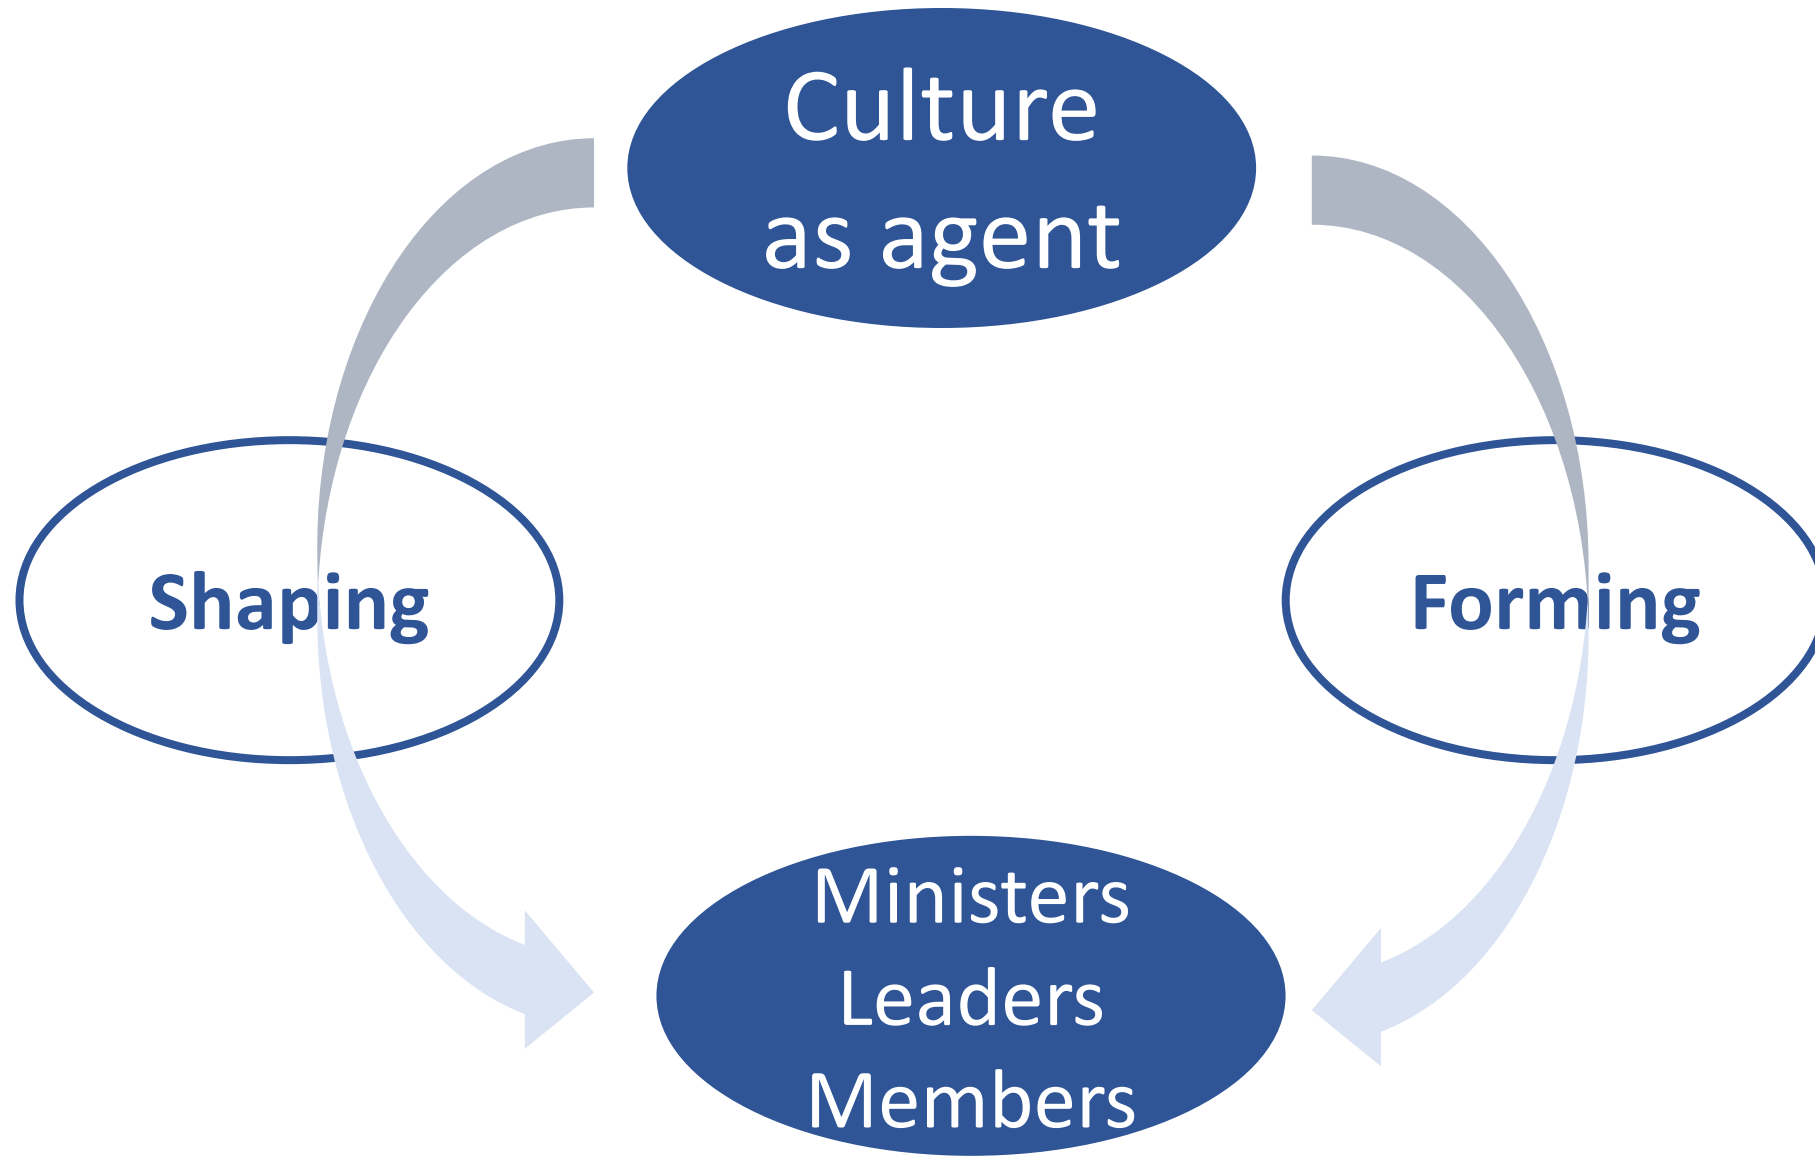

Reflection and Discussion

1. Use the culture cube to explore the six culture related topics.

I learned it, I practiced it, and then I passed it on to others

I learned it, I practiced it, and then I passed it on to others

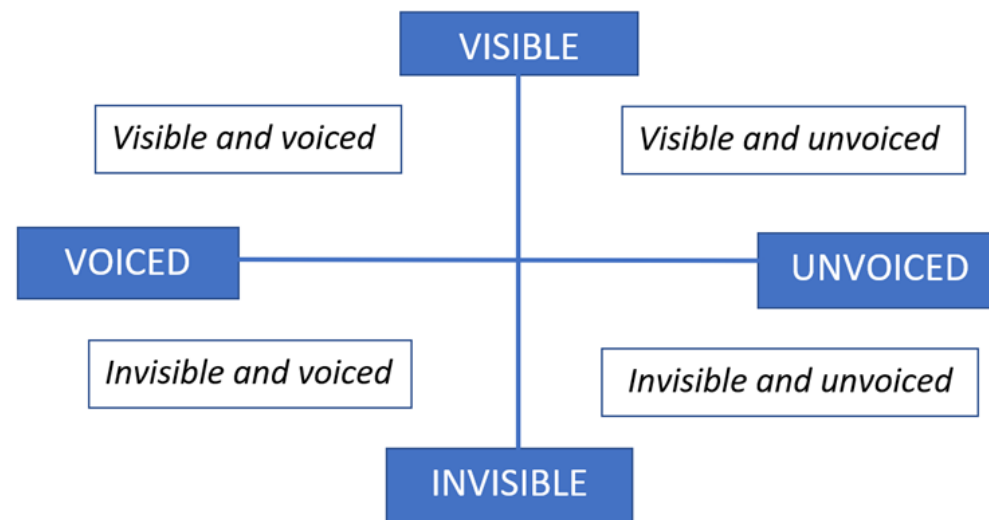

What is spiritual abuse?

“Spiritual abuse is a form of emotional and psychological abuse. It is characterised by a systematic pattern of coercive and controlling behaviour in a religious context. Spiritual abuse can have a deeply damaging impact on those who experience it.

However, holding a theological position is not in itself inherently spiritually abusive, but misuse of scripture, applied theology and doctrine is often a component of spiritually abusive behaviour.”

A Spectrum of Behaviour

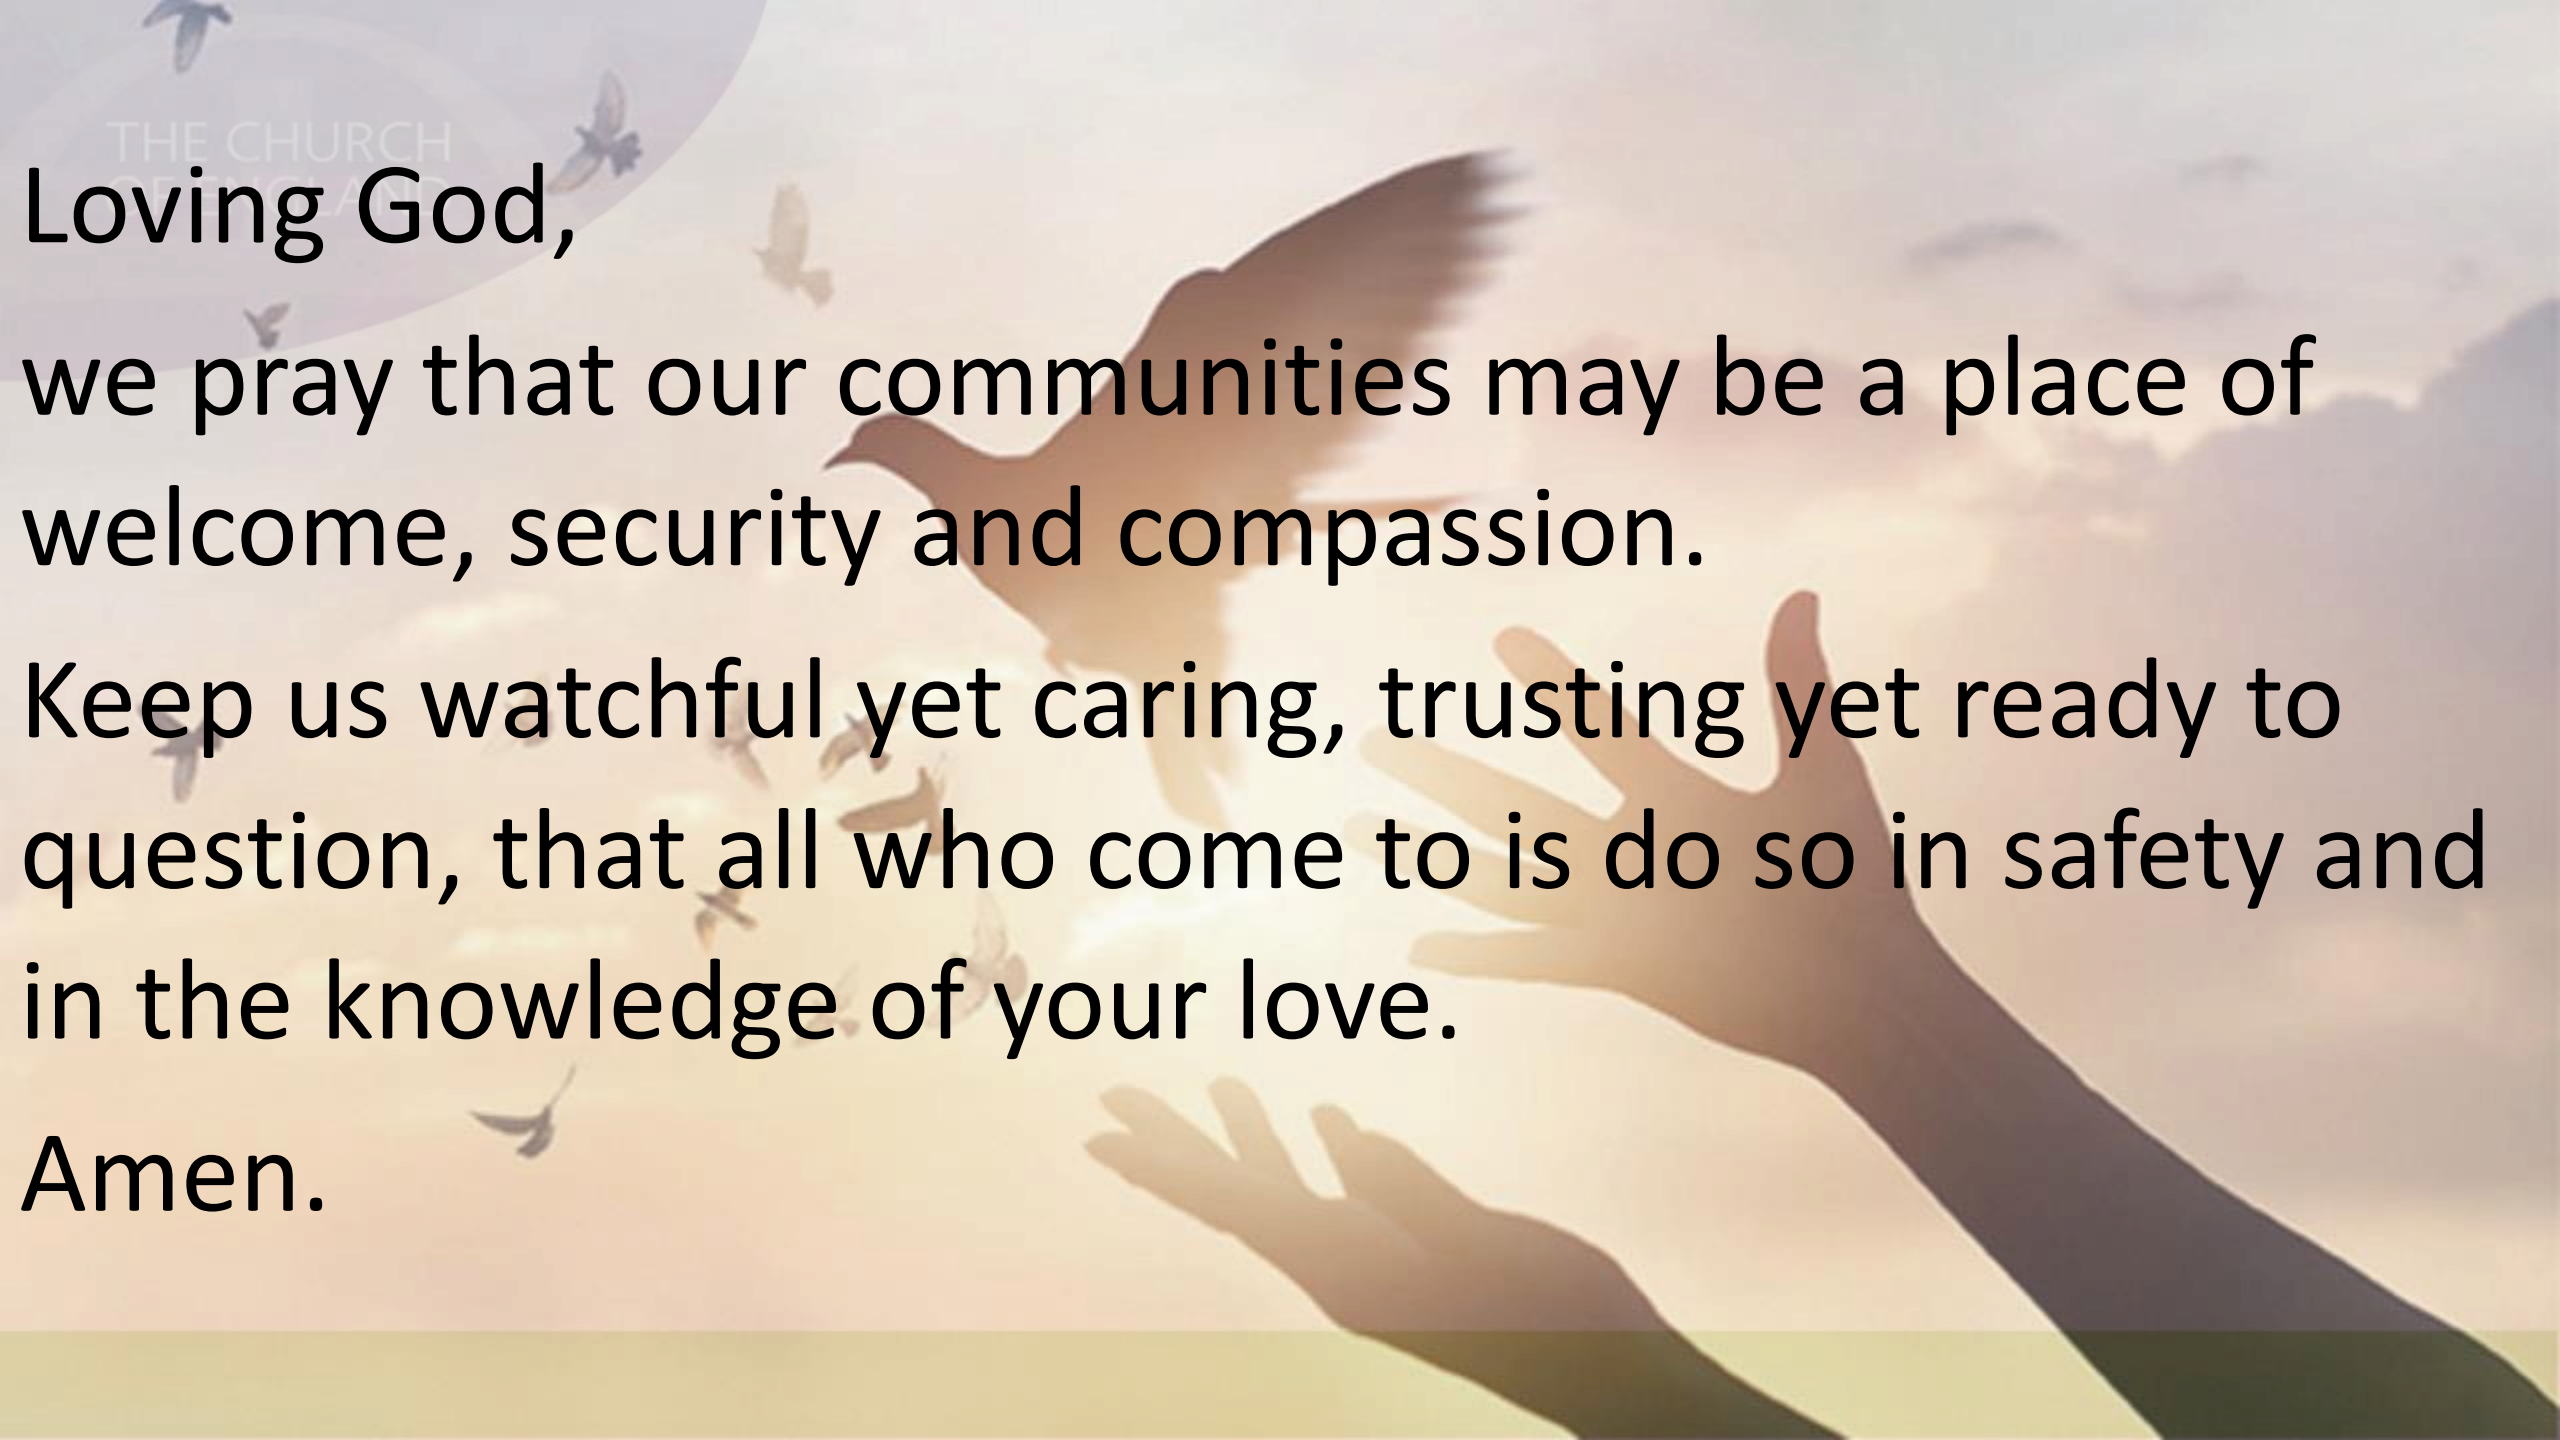

INTERSECTIONALITY

Intersectionality is a lens through which you can see where power comes and collides, where it locks and intersects. It is the acknowledgement that everyone has their own unique experiences of discrimination and privilege.

- Kimberlé Crenshaw -

Session 2

The background features a soft, warm-toned sky with a large, stylized dove in flight, its wings spread wide. Below the dove, two hands are shown reaching upwards, palms open, in a gesture of prayer or offering. The overall color palette is gentle, with pastel pinks, oranges, and yellows. In the top left corner, the text 'THE CHURCH' is faintly visible.

Loving God,

we pray that our communities may be a place of welcome, security and compassion.

Keep us watchful yet caring, trusting yet ready to question, that all who come to us do so in safety and in the knowledge of your love.

Amen.

The following slides
are a reminder of
some of the key
safeguarding
messages from
previous courses

RECOGNISE: the principles of adult safeguarding

Empowerment –

Ensure people are in control of their decision making.

Accountability –

Safeguarding is everybody's business.

Partnership – Working with communities, to prevent, detect, and report neglect and abuse.

Prevention – It is better to take action before harm occurs.

Proportionality –

Response should be least intrusive.

Protection – when working in the persons best interest, always ensure they are protected from harm as far as possible.

Making Safeguarding Personal

No Decision About Me, Without Me

- person-centred led
- outcome-focused
- engages the person and enhances involvement, choice and control
- improves quality of life, wellbeing and safety

Making Safeguarding Personal
What good person-centred adult safeguarding
practice looks like in Birmingham

Making Safeguarding Personal empowers the person to be included and have control over the process to the greatest extent possible in their circumstances

Promoting the Adult's Voice – 'With Not To'

Every adult should:

- get help and support to report the abuse
- be asked their opinion if there are concerns
- feel listened to and taken seriously
- be given the information they need, in the way they need it
- be asked their views to directly inform next steps
- have advocacy support if they can't do this for themselves

RECOGNISE: At Risk Adults

Safeguarding duties apply to an adult with care and support needs - due to age, illness or disability - or an adult who lacks the capacity to make informed decisions for him/herself - e.g. due to a cognitive impairment or substance misuse or because they are being controlled or coerced by someone else - who is experiencing or at risk of abuse and neglect and unable to protect him/herself

The Care Act 2014 (14.2)

Consent

- Seek advice and support from your Parish Safeguarding Co-Ordinator and/or Diocesan Safeguarding Officer – you do not need consent
- Obtain consent from an adult to make a referral to an external agency – unless:

1. Individual lacks the capacity to give consent
2. There is a public interest to share because others may be at risk of harm
3. There is a vital interest to share because there is an immediate risk to life

4. A crime has been or may be committed
5. An individual is unable to freely give consent due to control and coercion
6. There is a legal requirement to share (e.g. court order or law)

RECOGNISE: the principles of child safeguarding ...

*Working
Together to
Safeguard
Children 2018*
defines
safeguarding
and promoting
the welfare of
children as:

- protecting children from maltreatment;
- preventing impairment of children's health or development;
- ensuring that children grow up in circumstances consistent with the provision of safe and effective care; and
- taking action to enable all children to have the best outcomes.

Grooming

.... is when a person uses the power, knowledge/‘secrets’ they have in a relationship to make or force someone do something they do not want to do or when one person gains the complete ‘friendship/trust/love’ of another person so that this person will do anything they ask without questioning or challenging them

What to do...?

R **ECOGNISE**

abusive or harmful situations, types of abuse, signs of abuse, grooming, your responsibilities, etc

R **ESPOND**

well – listen, keep listening, keep calm, reassure, do not promise confidentiality, accept without judgement, do not investigate etc

R **ECORD**

always pass your record to your Parish Safeguarding Co-Ordinator, Diocesan Safeguarding Officer

R **EFER**

to your Parish Safeguarding Co-Ordinator / Diocesan Safeguarding Officer for help and support

RESPOND: Listening to someone disclosing abuse

DO

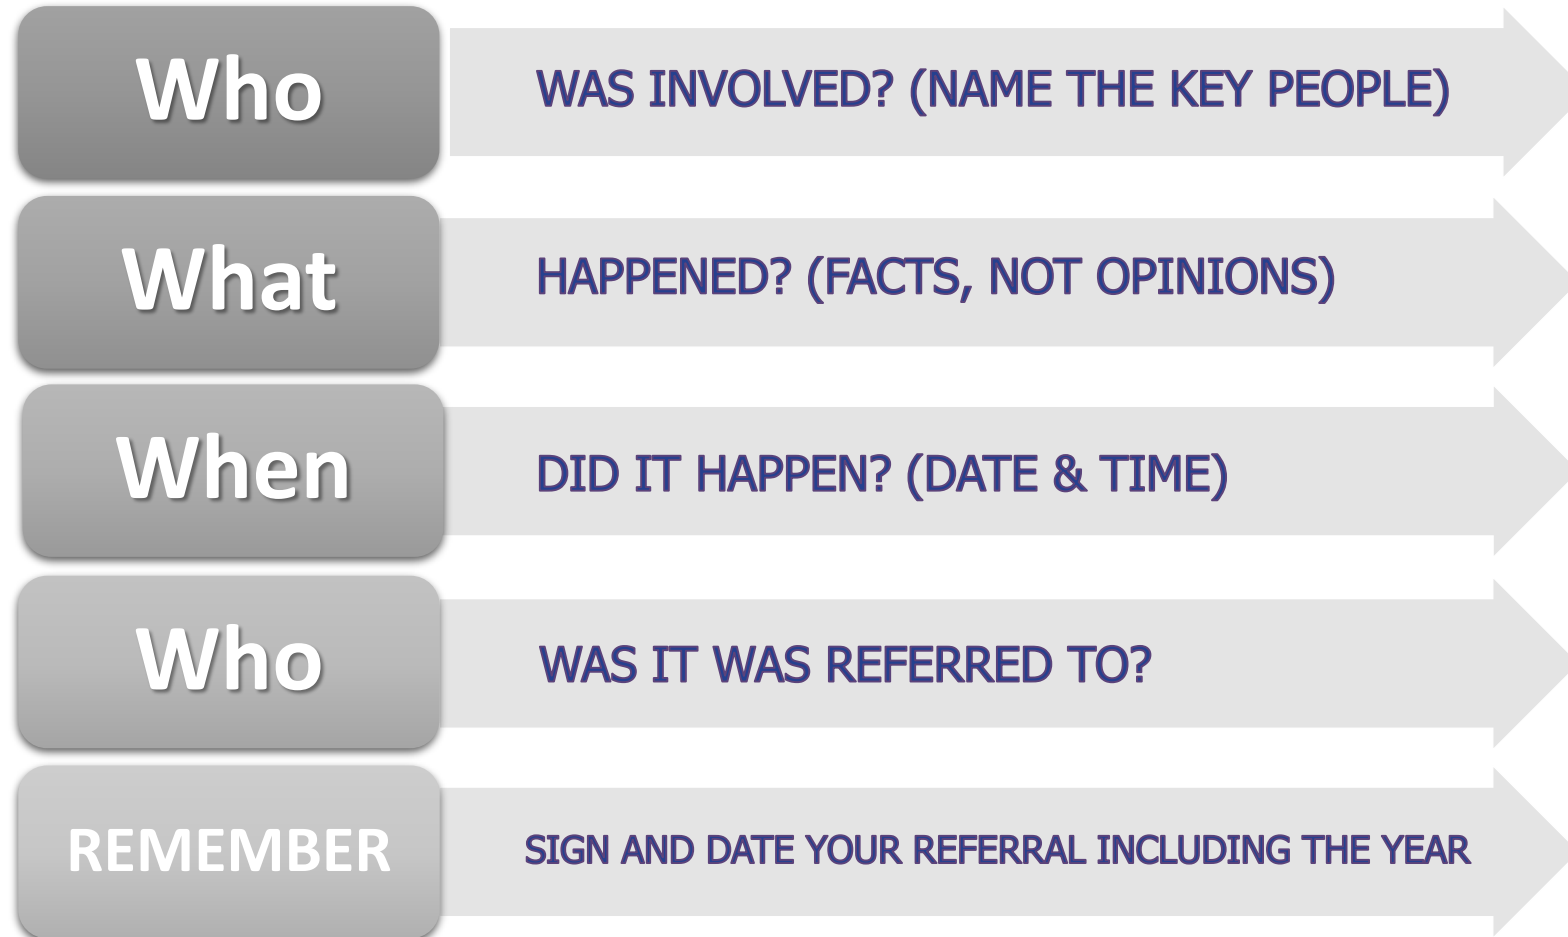

- Keep calm
- Listen carefully to what is being said – at the person's own pace
- Take it seriously and accept without judgement
- Reassure the person that they are not to blame and were right to speak out
- Explain what you need to do next
- Be honest – don't make promises you can't keep
- Be aware the person may have experienced harmful spiritual practices as well as other abuse
- Think carefully before offering scripture or prayer – especially if spiritual abuse is disclosed
- Be aware – it may be very difficult for a survivor to disclosure to a cleric or at church or the vicarage if the abuse happened in the church context
- Discuss with the Parish Safeguarding Co-ordinator and/or Diocesan Safeguarding Officer

Respond: Listening to someone disclosing abuse

DON'T

- Show shock or jump to conclusions
- Keep it secret
- Question or push the person into giving details of the abuse – you're a listener and receiver of the disclosure, not an investigator
- Suggest the use of Matthew 18 or that the person speaks to their abuser
- Alert the alleged abuser
- Discuss with others who are not directly involved in helping the person – maintain confidentiality

Record It

Report It

Do NOT alert alleged abuser

Always involve the DSO if:

You receive safeguarding information concerning a church officer i.e.:

- all who hold the Bishop's licence, permission or commission
- all who hold parish positions of trust
- all who work with children, young people and adults at risk of neglect and/or abuse

You receive information about an offender or someone who presents a risk to a child or an adult.

The Core Group

The Diocesan Safeguarding Officer will convene a Core Group to manage every safeguarding concern or allegation involving a Church Officer

The core group works together and meets at intervals from the beginning of a concern or allegation being raised to the end.

Safety Plans (formerly Safeguarding Agreements)

Where someone who poses a risk to others wants to attend church the Diocesan Safeguarding Officer carries out a risk assessment and drafts a safeguarding agreement.

This is managed by a 'reference group' in the parish – vicar, Parish Safeguarding Co-ordinator & church wardens

Serious Incident Reporting

A safeguarding serious incident is an adverse event, whether actual or alleged, which results in or risks significant harm to the charity's beneficiaries, employees, office holders, volunteers or to others who come into contact with the charity through its work. This includes where there are allegations or incidents of abuse of or risks to beneficiaries or others connected with the charity's activities. What is considered to be "significant" is a matter for the trustees to determine, as it will depend on the context of the charity, taking into account its operations, staff, finances and reputation

Simpler parish safeguarding ...

The Church of England has lots of policies for safeguarding arrangements in its safeguarding e-manual

<https://www.churchofengland.org/safeguarding/safeguarding-e-manual>

The Parish Safeguarding Dashboard simplifies these for the local church so that the PCC can be sure they have the correct arrangements in place.

Parish Safeguarding

Promoting a Safer Church is the Church of England's safeguarding policy statement for children, young people and adults and must be adopted by every PCC.

What does a PCC need to do?

The Parish Safeguarding Handbook, used together with The Church of England – Birmingham's supplement, outlines what the local church must do. The Parish Safeguarding Dashboard helps the church to implement these requirements.
