REVIEW OF PATTERN OF CHURCH SERVICES

When we introduced the changes to the times and pattern of services across the four churches in the United Benefice we promised we would ask for people's views at the end of the year once the changes had been in place for a few months – and now is the time to seek your views. To be greener and to save money printing, we hope as many people who can will **complete a short online survey**, which was sent by email to people earlier this week. **Paper versions** will be available from the bookcase inside the church. The deadline for the survey is **Sunday 28th December**. If you would like to complete the online survey and have not received the email please contact Phillipa (pjcook6@gmail.com).
