## **Outline for Sunday Services Pattern from March 2014 with small amendments as from June 2015**

Following an extensive period of consultation a new Sunday service pattern will come into effect in March. A chart showing the new regular pattern of services can be found overleaf. The Rector will now be taking two Sunday services a week across the Benefice - a Holy Communion Service at 9.00/9.30am and a Family Service at 11am.

There will be a two hour gap between the earlier and the later morning services, to allow more time for the Rector to talk with people before and after services. All the morning services will now be at either 9.00/9.30am or 11am.

The chart shows the time and type of service that will be held at each church for every week in the month, including those times when the Rector will not be taking the service.

The new pattern of services will continue for the rest of this year. Comments will be sought in November/December and a review will be held at the Wardens' Meeting, and the PCC Meetings, in January 2015.
