# LETTER FROM RICHARD

Dear friends,

The months of August and September, particularly in relation to news broadcasting and the press, are sometimes referred to as the silly season. Parliament is in recess, people are on holiday, not much is happening and the media are desperate for news stories that will engage people's interest.

For many years that has to some extent been true of the church. Lent, Easter and Whitsun have been celebrated, we're into those innumerable Sunday's after Trinity, and it's a long time to Advent and Christmas.

More recently, however, the month of September has come to be known as Creation Season, when the Church invites us to focus on God as the Creator and the world as his Creation. The Church has identified as the theme for this coming Creation Season "Listen to the Voice of Creation." Covid, the war in Ukraine and increases in the cost of living have tended to sideline global warning and climate change. Yet climate change will almost certainly have much bigger long term impact on our planet and those inhabiting it than the other three put together. The Church of England describes "the Voices of Creation" as the "voices of those who suffer the impacts of climate change..., the voices of people who hold generational wisdom about how to live gratefully within the limits of the land..., the voices of a diminishing diversity of more-than-human species. It is the voice of the Earth."

The burning bush has been chosen as a symbol for the Season of Creation 2022. Behind this is a reference to the devastating wild fires that are occurring with increasing regularity across the globe and which are having an horrendous impact on the most vulnerable people on our planet. In contrast, the fire which attracted Moses' attention neither consumed nor destroyed the bush. Rather the flame revealed God's presence, so this symbol of God's Spirit calls us to listen to the voice of creation.

We in this country are not immune from the impact of climate change. At the time of writing this letter, the Met. Office is promising us temperatures in the thirties, temperatures which many people find less than comfortable. And heat waves of this kind are becoming more and more common. So if you find yourself sweltering uncomfortably in the shade this summer, think of those in India and other places who are having to work in temperatures of 40 degrees or higher and offer up a prayer that leaders around the world will take global warming seriously and adhere to the pledges made at Cop26. And then ask God what you can do to play your part in combating climate change.

God bless,  
Richard

### **A Rainbow People**

God of Hope, you have given the rainbow as a symbol of your faithfulness. In its Colours you have shown us the variety of human life and your call to unity. Its span between heaven and earth reminds us that our hopes for the future are Founded on your grace. You have turned your face from judgement to redemption and have called us to be peacemakers.

We pray for people whose humanity is denied by others – Those who suffer in warfare. Those persecuted or imprisoned because of their religion or politics. Those who try to oppress and manipulate others, and in so doing lose sight of their own humanity. And for those who work for peace and justice, whatever the cost.

Lord God, make us your rainbow people, glorying in our God – given variety, passionate for peace, and trusting in your grace.  
In the name of Jesus Christ, the hope of the world.

# St Francis and St Mary's Prayer Chain

Many people find they are given strength and peace of mind when they know that they, or their loved ones, are being prayed for. And the more people who are praying for someone, the better!

If you would like prayer for yourself, please call anyone on the chain below and they will pass a message on around the circle. If you like a name added to the intercessions list in our services, (which will be on-line as well as in-person) please state this when you make contact.

## **Tribute to Julie Bailey**

I shall always remember Julie as being the light and joy that embraced everyone she met. I first came to meet Julie through my wife Rowena and the Saturday Coffee Mornings at St Francis'. She readily volunteered for the Thursday Night Soup Run on the van to Central London organised by The Good Shepherd Mission to the Homeless. Julie was very dedicated to the Soup Run and hardly ever missed a Thursday night trip to meet the homeless at Lincoln's Inn and Waterloo. She laughed and joked the whole time and I think that this rubbed off on the homeless too. Julie had a strong Christian faith and she saw the homeless project as a working out of that faith. I well remember one night when the van broke down in Tulse Hill and Julie and I had to make our own way home by bus, tram, and my car. Thank goodness we had our bus passes!

During our chatting on the homeless bus, I discovered that her favourite music artist was Freddie Mercury. Julie loved the theatre and the movies. Her favourite film star was Richard Gere especially in 'An Officer and a Gentleman'. She also loved going out on bus trips and would often tell me how the coach would pick her up from Bromley to go to the seaside for a lovely day out.

Julie started a gardening group here at St Francis' to continue what her late husband Peter used to do. They both looked after the plants around the outside of the church. Julie loved 'bling'. She loved shiny rings and other jewellery – anything that sparkled and shone. Even her shoes were sparkly. I can only assume that this was part of Julie's character – the sparkle of her life. She really was the life and soul of any party she was at. I remember her being at an Elton John Tribute Night before she became ill. Boy, could she dance – I don't know where she got the energy from!

Little did I know that in the autumn of last year Julie and I would be fellow cancer travellers. She was a great source of comfort to me, and I recall one morning before I had surgery, we met for coffee and cake. Julie gave me a big hug and said, "You'll be all right - You'll be all right". I was amazed how positive and resilient she was even when the going got tough. I used to ring her to ask for advice about side effects of the treatment and we would always end up having a joke and a good laugh.

I shall miss Julie - her smile, her laughter, and her optimistic outlook on life. Most of all I shall miss the way that she brightened up so many lives with her kindness and sheer zest for life. Rest in peace Julie and rise in glory.

# REPORTS ON EVENTS

## Ukraine Coffee Morning

Thanks to the help of so many from St Mary's and St Francis and the beautifully warm weather, the coffee morning and plant sale held in the Church Hall and Garden on Saturday 21<sup>st</sup> May was a great success.

It was good to have so many people from both Churches and the community taking part. The Brownies ran a Treasure Hunt, members of the local horticultural

society donated plants, local companies donated raffle prizes and as well as services for our silent auction, to name just a few supporters. It was a very happy morning. It was also a tremendous financial success and over £2,000 was raised for the DEC Ukraine Appeal.

This was only possible due to the hard work of many people. If I tried to name everyone, I would be sure to leave someone out so thank you to everyone who helped make the morning so enjoyable and to the people who came for refreshments and to buy goods.

*Ann Herbert*

*Many thanks to Ann for organising another successful event!!!*

## Garden Party

This year's St Mary's Summer Garden Party 2022 was a great success. We raised an amazing £800 for St Mary's and brought the community together!

God looked out for us all and we were blessed with beautiful weather. Rain was initially predicted but there was not a cloud in the sky throughout the day! Parents and children enjoyed the sunshine in the garden whilst tucking into their meals. They had time to relax at lunchtime whilst their children enjoyed the bouncy castle.

This year the BBQ menu consisted of the traditional sausages and burgers in a bun, but we also added chicken kebabs and a Caribbean vegan stew and rice. We were inundated with orders!

This year's attendance was up on previous years. Muddy's Boots, an outdoor children's play group that uses our facilities was invited to run a session during the Garden Party. This encouraged parents to bring their children and stay at the event for longer. Also, the Jubilee Street Party, which was partly held on the church grounds, encouraged more families to attend. This added a community feel to the Garden Party.

Thank you to the organisers, everyone that helped and attended on the day. We look forward to hosting next year's party! Finger's crossed the weather will be just as good!

## **Festival of Arts**

What a great weekend we had in July: St Francis was packed full of visual art from the children of Hawes Down School and many other local art organisations and individuals and St Mary's had an oasis of calm with photos being shown in the church as well as in the hall.

Our next weekend will focus on the written word and will be held on **Friday 23<sup>rd</sup> and Saturday 24<sup>th</sup> September**. Do keep your diaries free on these dates, so that you can be involved in another opportunity to reflect on the benefits of the arts to mental health issues while raising money for MIND and Bethlem Gallery.

### ***A Blessing Comes***

*It's good to get away from noise  
From chaos and from din,  
To seek in solitude and peace  
The beauty that's within  
To go into a quiet place  
Where all is fresh and green,  
And contemplate in silent calm  
Great truths and things unseen.*

*The mysteries of the universe  
The wisdom of the sage,  
Or take some old and lovely thought  
From a bygone age,  
And meditate upon the good  
The honest and the true,  
This calms the mind and you will find  
A blessing comes to you.
