# LETTER FROM HAZEL

Dear friends,

Some of you will know that I am taking a sabbatical for six weeks from late October to early December. Sabbatical is defined as a period of leave (often for study or travel). It's derived from the word sabbath (a religious rest-day), and it is rest that I hope to gain from the time, as well as some wisdom for the next years ahead.

If you heard or read my sermon for Sunday 18<sup>th</sup> September, you'll recognise that word 'wisdom' as one of those things which I thought marked out who the late Queen Elizabeth was, and which she gained through the Bible. The Bible – the Word of God.

St Paul recognised this in his letter to Timothy:

*All scripture is inspired by God and is useful ... so that everyone who belongs to God may be proficient, equipped for every good work. (2 Timothy 3:16-17)*

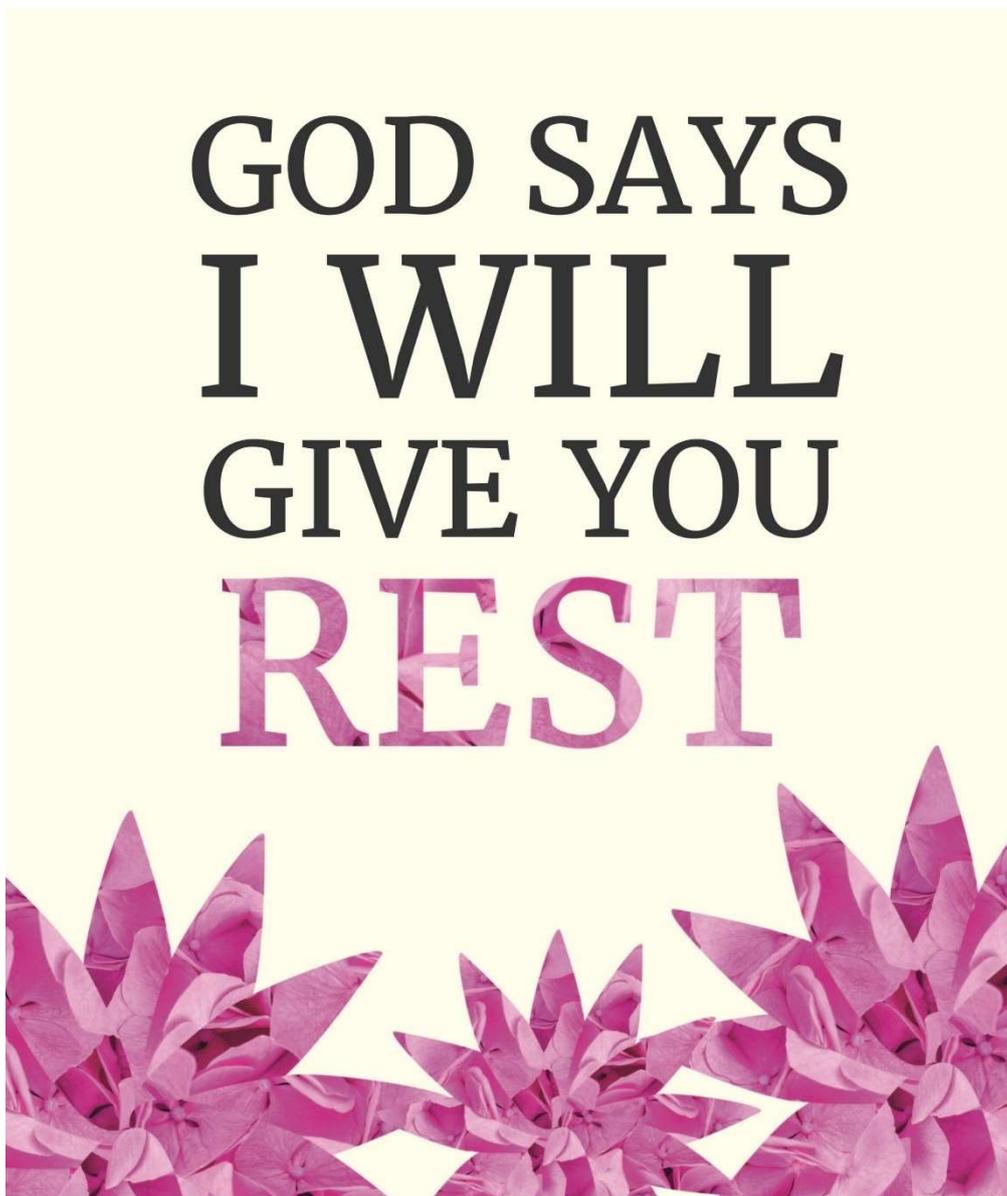

We're looking at the written word in our most recent events associated with our Festival of Art. Reading and writing, as well as being an important part of academia, can also contribute to our mental well-being as they are great ways to escape and rest, as well as to gain new insights, or what we might call wisdom.

While I'm away, please do pray that I'll be able to continue with this search for wisdom in reading and writing. That prayer will be a great source of strength to me, just as prayer (her own or others' prayers for her) was a source of strength for Queen Elizabeth.

While I'm away, any clergy and ministry queries should go to Richard Ford and other church-related matters to one of the church wardens (see the front of this magazine for contact details).

Every blessing,

Hazel

### Organ Recital

On **Saturday 8<sup>th</sup> October** there will be a celebrity organ recital in St. Francis church given by Travis Baker, who is well-known to us, both as an early Director of Music here and for his concerts with the Bromley Boy Singers.

Travis was recently appointed organ teacher at Battle Abbey School. He is developing an 'organ school' with a reputation for excellence in organ performance. In partnership with Battle Abbey School, the neighbouring church of St Mary's, and Chichester Cathedral, Travis has established a scholarship programme to help support young organists; and is constantly working to encourage young minds to take an interest in learning the organ.

The concert will commence at 7.45 pm on 8th October and tickets priced at £10 are available from

<https://www.ticketsource.co.uk/st-francis-of-assisi> or at the door.

Wine and soft drinks will be available during the interval.

## **Croydon/Zimbabwe link Quiz Night**

We have a link with St Andrew's in Gweru and on **Saturday 8<sup>th</sup> October** we have an opportunity to meet with other Croydon area churches who have links with churches in Zimbabwe. As well as being a social occasion, this will also be a quiz night, and it would be good to have a West Wickham team at the event. This will be at Christ Church, Purley and Hazel can give a lift to anyone wanting to join in. Tickets are £15 per person, which includes a fish/pie and chip supper.

## **Harvest Services**

This year our Harvest Services will be held on **Sunday 9<sup>th</sup> October** at 9.15am in St Mary's Church and at 10.45am in St Francis' Church. We will be collecting donations of non-perishable

Please do come along to give thanks for all we have and bring some donations for those in need. It is also possible to donate items by leaving them in the boxes outside St Francis' Church or the Vicarage at any time, or you can make a monetary donation to the Bromley Foodbank at

<https://bromleyborough.foodbank.org.uk/give-help/donate-money> or to 'The Shrublands Trust' via a cheque posted to 7

## October

**4<sup>th</sup>  
St. Francis  
of Assisi** Pray for all who worship and minister at St. Francis Church and all who live and work in the parish.

**18<sup>th</sup>  
St. Luke** Give thanks and pray for all who work in the medical profession – those who seek to heal and care for the sick, In body, mind or spirit.

**28<sup>th</sup>  
St. Simon  
and St. Jude** Give thanks for all who have suffered and laboured to establish the Church's foundation of faith.

### **Remembering the Royal Family at this time...**

We give thanks for the life and service of our late Queen, Elizabeth. We pray now for her family – that in their grief and sadness they may know God's love and comfort. We pray that the Royal Family may be brought closer together in their time of mourning, and past difficulties may be healed.

We pray for our new King, Charles as he begins to serve our country; that he may be given wisdom and encouragement in all he undertakes. We pray too that he may always possess the strong faith of his mother and know the help of the Holy Spirit to guide him at difficult times throughout the coming years. Amen.

# FOCUS

## November

**1<sup>st</sup>**  
**All Saints** Give thanks for all who have been "lights in their several generations."

**2<sup>nd</sup>**  
**All Souls** Remembering those of family and friends who have gone before us. We pray they may rest in peace.

**11<sup>th</sup>**  
**Remembrance** We remember the millions who have died and those who are still dying in conflicts around the world. We pray for peace and justice around the nations.

**24<sup>th</sup>**  
**Christ the King** We give thanks that Christ's domination is everlasting and will not pass away.

**30<sup>th</sup>**  
**St. Andrew** Pray for the people and churches of Scotland and for missionary workers – at home and overseas.

### **Bereavement**

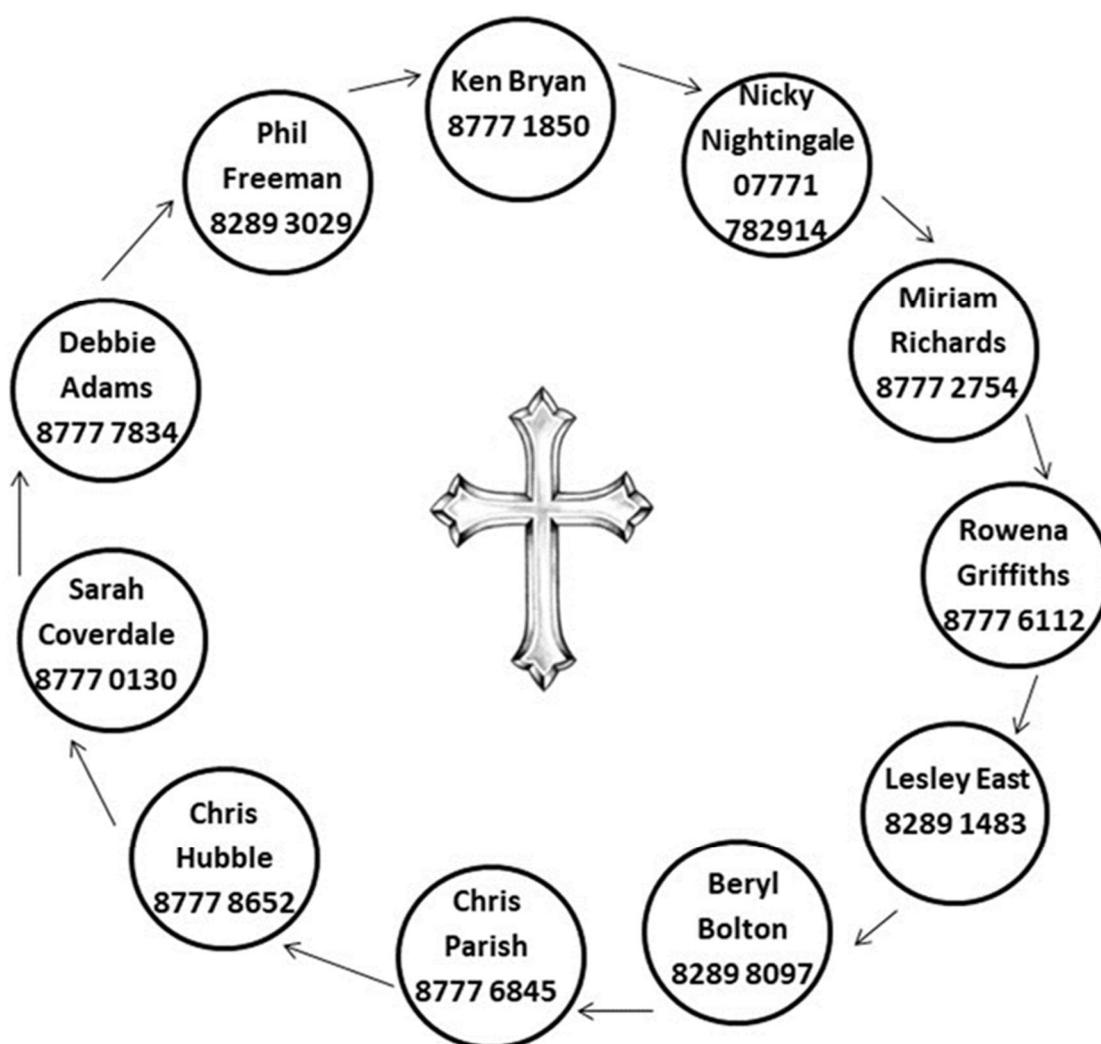

We remember, Lord, the slenderness of the thread which separates life from death, and the suddenness with which it can be broken. Help us also to remember that on both sides of that division we are surrounded by your love. Persuade our hearts that when those dear to us die neither we nor they are parted from you.

In you may we find our peace and in you be united with them in the glorious body of Christ, who has burst the bonds of death and is alive for evermore, our Saviour and theirs for ever and ever. Amen.

# St Francis and St Mary's Prayer Chain

Many people find they are given strength and peace of mind when they know that they, or their loved ones, are being prayed for. And the more people who are praying for someone, the better!

If you would like prayer for yourself, please call anyone on the chain below and they will pass a message on around the circle. If you like a name added to the intercessions list in our services, (which will be on-line as well as in-person) please state this when you make contact.

# PARISH MATTERS

## Festival of Art

It was great meeting with two authors and reflecting on the books that shaped the 20<sup>th</sup> century when we had a day focussing on the written word in September. There are two follow up events planned;

- On Saturday 8<sup>th</sup> October there will be a presentation of some poems and stories from children in a local school and other local writers at St Mary's, followed by tea and cake with a professional story-teller.  
The early part of the afternoon from 2.30pm is free, with a charge of £5 if you would like to hear the story-teller. Advance tickets are available on-line from <https://www.ticketsource.co.uk/st-francis-of-assisi>.
- We are hosting a meeting with another local author, Clare Chambers, on Tuesday 15<sup>th</sup> November. This event will be at St Mary's Church Hall at 8pm. The event will be free, but please do bring some money for donations for Mind and Bethlem Gallery and/or to buy one or more of Clare's books which she will bring along.

We are also thinking about a film night during the next couple of months, so please do look out for details in the pew sheet.

## **Cost of Living Crisis - A Christian Response**

***Birkenhead food bank says some users 'not eaten for days': I avoid meals so my daughter can eat: Student nurse down to her last pound: One in three London children living in poverty, charity warns.***

These are just a small sample of the headlines on the BBC News website covering the cost-of-living crisis. Sixteen million people in Britain have been forced to cut back on food and other essentials. Some 24 million people also reduced energy use in their homes between March and June 2022 as the price of gas and electricity reached record highs. The cost of gas and electricity is predicted to rise even further in the autumn.

Local Foodbanks are struggling to keep up with demand. As an example, donations to Bromley Foodbank have dropped almost 75% since 2020. Their Chief Operating Officer, Amanda Stone, said "Donations have dropped significantly because everyone is trying to save their pennies because of the cost-of-living crisis." The foodbank has seen many people visiting recently who have never used a foodbank before, including nurses and teachers who work full-time and often are unaware of how the process works to claim benefits (often referred to as "The Working Poor"). The manager added: "May and June are usually our quietest months because it's warmer so people are spending less on their energy bills. The cost-of-living crisis means that's not been the case this year. My real fear is if it's like this now, what's it going to be like

in winter when it's really cold and people need to heat their homes?"

How can we, as Christians, with a real concern for the welfare of our communities, respond to this growing crisis? You may remember that at our joint service in St Francis on 1st May, we had a speaker from Christians Against Poverty (CAP). One of the CAP initiatives that is very relevant to the current cost-of-living crisis is their 'Money Course'. This is a free 3 session course that is designed to be run by local churches and helps people to budget, save and prevent debt. The system uses three accounts, so participants can make sure money is going towards the things planned for in an individual's budget. It is not just for people who are in debt, but is for anyone, whatever their income, who would like to get better control of their money.

CAP also offer free debt advice and practical assistance for those already struggling with the burden of debt. Here's a quote from someone who has really benefitted from this CAP service:

***"I was owing well over £20,000. I hid it from anyone else, from everyone else, I didn't even want to open my doors. So, I shut my door, I shut my mind to everything else. It was that part of me that I just thought, "No, nobody needs to know. To be debt-free is very, very peaceful. It feels like heaven. It feels very, very liberating knowing that I have a second chance. I'm excited even talking about it."***

We at St Francis' and St Mary's would like to run the Money Course and Bo Povlsen from St Francis' is already trained as a coach. However, we need more volunteers to be trained by CAP to assist Bo in delivering the sessions. The training is just one session, and this is frequently offered on 'Zoom' where you can take part from the comfort of your home. You don't have to be a financial wizard to understand the training material – it's all very much common sense. If you would like to help in this way, visit the CAP website at <https://capuk.org/> for more information or email Bo at [bo@manusmedical.com](mailto:bo@manusmedical.com)

## **Rehema Trust: a charity supported by St Mary's**

Rehema Trust was set up six years ago in memory of Jan Mason's sister, Barbara Leighton, to support the work of Barbara Academy, a primary school based in a very poor community in rural Western Kenya.

After a difficult period dominated by Covid-19, life has returned to something much more normal, but global issues continue to have a significant impact on the Kenyan economy:

- The war in Ukraine has resulted in increased costs of farming fertiliser and basic food items such as maize.
- Climate change results in unpredictable rainfall, putting at risk Kenya's capacity to provide home-grown food until the next harvest.

The wider cost of living agenda directly affects the running costs of Barbara Academy, where food is a vital contribution to the health and wellbeing of the pupils, and a bus is operated to transport those pupils who have been attracted from further afield by the growing reputation of Barbara Academy.

Thanks to your generous and faithful support, we have been able to expand both the facilities and the range of activities at Barbara Academy, including:-

- Recruiting 120 pupils to complete the development of the Primary School;
- Constructing and fitting out another classroom, accommodating the most senior pupils;

- Extending electricity to all classrooms and giving IT access to all pupils through additional computers and Wi-Fi equipment.

We have also been able to construct some new pupil latrines and to maintain the access road, which regularly suffers from the effects of increasingly extreme weather conditions.

We want to continue educating local children (whose families are unable to pay even the modest fees in place), but we face the challenge of matching monthly operating costs with the same level of regular giving – made that little bit more difficult by the exchange rate moving against us. Our income shortfall is something like £150 per month, which has to come from our modest reserves – if you are able to contribute towards bridging this gap by considering even a small increase in your current support, it would make such a difference.

Looking ahead we hope to improve the ratio of textbooks to pupils (currently one textbook is typically shared between four pupils). Our Grade 6 pupils will complete their primary education at Barbara Academy in December and then face the challenge of moving to secondary schools, where even state day schools require fees that are a challenge for some families to afford.

If you would like to know how to help meet these challenges, please do contact Malcolm Leighton for more information at 01372 815082 (Home) or 07766 051576 (Mobile) [m.leighton@rehematrust.com](mailto:m.leighton@rehematrust.com) More than six years on since Barbara died, Malcolm never tires of thanking donors, including St Mary's, for their support, which continues to encourage the staff at Barbara Academy and all the trustees, who are helping children achieve their full potential. We already know that we are making a real difference to many young lives.

# The parable of the Shrewd Manager

JESUS OFTEN TOLD STORIES WITH HIDDEN MEANINGS

ONCE JESUS TOLD A STORY ABOUT A RICH MAN...

...AND HIS SERVANT, WHO MANAGED THE RICH MAN'S PROPERTY.

THE RICH MAN HAD HEARD THAT THE MANAGER HAS BEEN WASTING MONEY.

SO HE CALLED THE MANAGER TO ACCOUNT FOR HIMSELF!

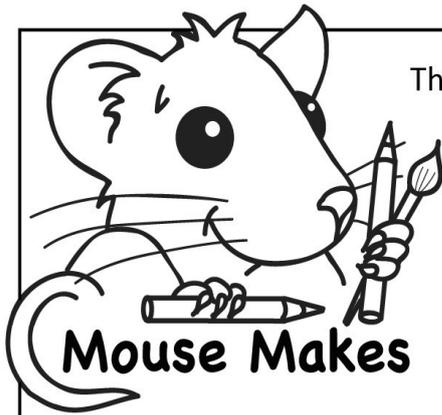

OH NO! I AM GOING TO GET THE SACK!!

THE MANAGER AGREED TO LET THE RICH MAN'S TRADERS FIDDLE THEIR BOOKS!

SO THEY ALTERED THEIR DEBTS - AND STAYED FRIENDS WITH THE MANAGER.

JESUS EXPLAINED THAT THE MANAGER HAD BEEN WISE IN MANAGING HIS FUTURE... EVEN THOUGH HE WAS BEING DISHONEST.

JESUS WAS TRYING TO ENCOURAGE THE PEOPLE TO THINK ABOUT THEIR OWN FUTURES TOO. BUT IT'S A HARD PARABLE TO UNDERSTAND!
