

**Your first mission, should you choose to accept it,**  
is to make your **Special Agent's ID card.**

Like any Special Agent about to be commissioned in the Boss's service you will need to be fully prepared.

Please assemble the following:-

- 2 pieces of thin card cut from a cereal packet to the size of a mobile phone
- 2 pens and colouring pencils
- Sellotape
- Think about people you love who don't yet know Jesus

In order to complete your ID card, using your colouring pencils draw a self-portrait on one piece of the card. You will need to be in disguise so don't forget to add a large hat, dark glasses and a briefcase.

Underneath the picture write the name you choose to be known by: 'Special Agent ...'

Sellotape the other piece of card to the back, leaving a gap at the top to make a pocket to store your instructions. Entitle your current mission 'WANTED FOR JESUS'. Underneath write your directions from Matthew 28.19

*'Jesus said.. 'Go and make disciples of all the nations, help the people to learn of Me, believe in Me, and obey My words.'*

Then on the piece of paper write a list of people you are praying for to come to know Jesus - in mirror writing!

Take your 2 pens and a piece of paper, folded in half lengthways. Take a pen in each hand and begin either side of the crease. Write the name in the usual way on the right hand and at the same time mirror the writing on the left hand side. Tear the list down the crease and throw away the right hand side. If you hold the remaining list up to a mirror you will see your friends' names! (If that's too hard you can use this Mirror writing alphabet.) Put the list in your secret compartment hidden inside your Special Agent's ID card.

Report to the Boss 'Ready for Service' in prayer 😊
