

# Jesus is the King of kings – Christ the King Sunday

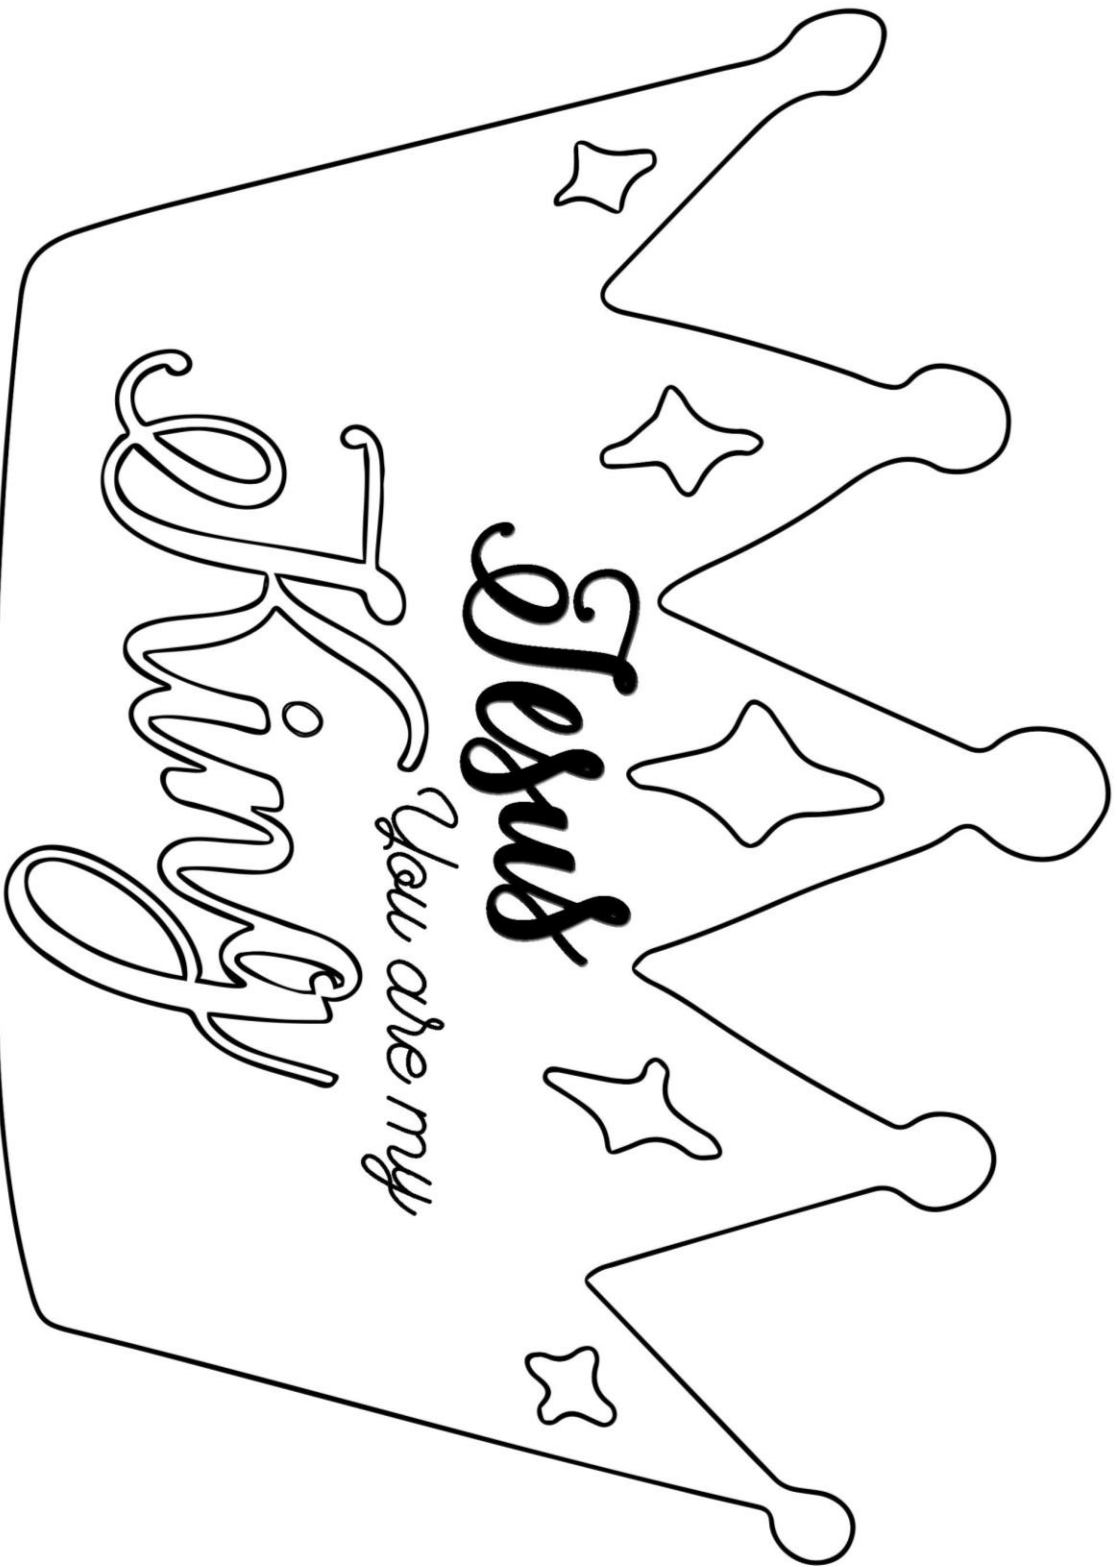

Many years ago, every country had a king or queen. They were not voted into their position, but inherited it through birth. Their job was very important because they ruled the country and the people. Whatever decisions they made, the people had to obey, whether they were good or bad, it didn't matter. The king or queen made the laws and also carried the responsibility for the country and its people.

Jesus is also a king –

and the Bible tells us that He is the **best** of kings.

Jesus is different from earthly kings.....

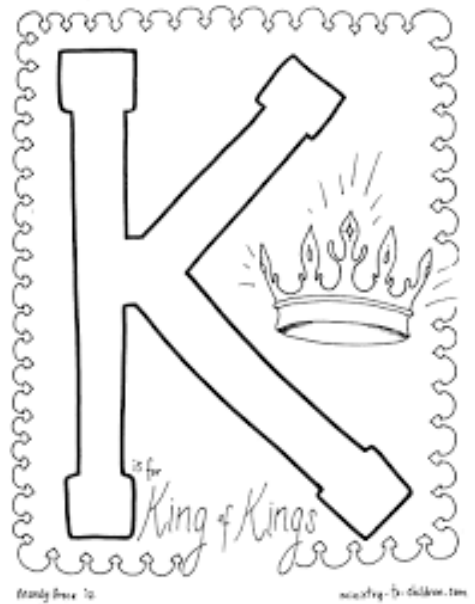

- He was born in an animal stable
- He did not wear fine, expensive clothes.
- He did not wear a gold jewel-encrusted crown.
- He did not live in a palace.

**Jesus**

*You are my*

*King*

### You will need.....
