

## Wedding at Cana

John 2:1-11

This was the first miracle Jesus performed as He began His ministry.

Jesus performed this miracle at a wedding in the city of Cana.

Jesus, his mother and his disciples were all guests at the wedding.

Mary heard the servants saying they were running out of wine. This would have been shameful for the host.

Mary asked the servants to obey Jesus.

Jesus asked the servants to fill six stone jars with water.

Jesus then asked the servants to take a sample from the jars. This was to be given to the man in charge of the banquet. When he tasted it – it was fine wine!

The water had been miraculously turned into wine!
