

WELLSPRING PENTECOSTAL CHURCH.

"WORSHIP GATE FRIENDS".

Micky & Chantal from Wellspring Pentecostal church, bought church to their neighbours during the Easter weekend from their very own front garden.

During this isolation time, Micky & Chantal moved their instruments, speakers and microphones onto their front lawn. They shared with songs, testimonies and the Gospel on Easter Friday, Saturday and Resurrection Sunday.

Many of the neighbours bought out their chairs onto their front gardens. They joined in and enjoyed the service which was bought to them.

In appreciation, children drew pictures to 'Thank' Micky & Chantal for the lovely songs.

Neighbours are now asking if this can be an ongoing event every Sunday afternoon!

This is definitely 'church without walls'. Amen.

Rosie and Hannah displaying all their hard work.

This is their rainbow for the NHS, showing hope that there is an end to every rainbow.

It reminds me of the story of Noah, where God displayed His rainbow in the sky as a promise not to flood the whole earth again. (Found in Genesis 9:14-15).

Ephesians 1:18 says: I pray that the eyes of your heart may be enlightened in order that you may know the hope to which he has called you, the riches of His glorious inheritance in His holy people.
