

Dear City Vision Leader,

We hope this email finds you well in this time of national crisis. In response, it has been agreed that we will coordinate a regular Citywide Hour of Prayer, when people from across Derby can join together and prayer for all aspects of this COVID-19 crisis.

Beginning on Easter Sunday, and every Sunday until this pandemic is over, between 8pm (20h00) - 9pm (21h00), we are asking people to set aside one hour and present their prayers and petitions before God.

Derby City Mission are putting together some prayer pointers for this, as well as directing people to resources from the Church of England and the 24-7 Prayer Movement.

These can be found on our website: www.derbycitymission.org.uk/citywide-hour-of-prayer

We have also set up a Facebook event which you can share on your social media channels.

Let's really look to God at this time to provide protection and healing on our city. Please especially for our Prime Minister and all those suffering as a result of this pandemic, here and abroad.

May the Lord Bless you and Keep You!
