

Home Communion is available to those who are unable to get to church. This might be due to illness or following an operation.

We also take communion to people who in the past used to go to church but are now elderly and housebound and are unable to get there anymore. As well as the clergy, a small group of lay people have been licensed by the Bishop to carry out this ministry.

If you would like more information please contact the Church office 0116 2671797 or email stjames.birstall@btconnect.com
