

URGENT – RESPONSE REQUIRED!

Dear Friend,

We hope you enjoy this edition of Keeping in Touch.

We're asking for your support to save costs and help the environment by printing less. So, we'd like to offer you Keeping in Touch digitally for free, ie emailed to you instead.

Unfortunately, like everything, our costs are increasing, so if you would still like a printed copy, we are going to ask you for a contribution of at least 50p per copy in future – that's just £2 per year for your 4 editions, to be paid at the beginning of each year (when you get the first copy of the year).

We do hope you are able to help with these costs, and of course, if you feel able to donate more, that would be wonderful (the roof needs fixing at both churches)!

IF you would still like to receive the magazine, please could you fill in the attached slip and return it to us?

We want to check that everyone who receives it still wants it, too!

Thank you so much,

The PCC of Birstall and Wanlip Churches.
