

Welcome to the Churches of
Elloughton & Brough with Brantingham

Pew News APRIL 2020

The Church building is closed but the Church is very much open and active!

That is because you and I are the church, we are still able to pray, to read our Bibles, to use the phone to check on friends, to listen to words of inspiration.

God has never been limited by a building and never will be.

Many of us are learning to worship at home, perhaps for the first time. But this time we are worshipping in rhythm with others. Some are doing Daily Prayers at 12noon and then Night Prayers at 9pm. Whatever pattern suits you, know that you do it 'in company'.

There is one deep truth in all this, the God of the universe is present with you at all times. He walks with us through the valley of the shadow of Coronavirus and he will not leave us.

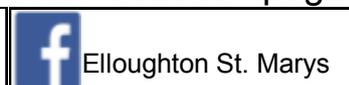

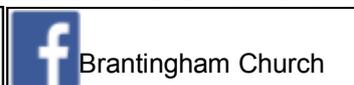

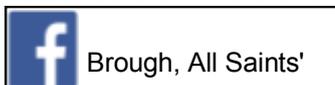

To help you through Holy Week over the page is the likely pattern to Jesus' final week. Why don't you, each day, read the set readings and walk the week of His Passion with him and ask God to help you to see something new this year.

If there is anything we can do to help you [shopping, pick up meds etc]
please don't hesitate to call me.

I will of course continue to uphold you in my daily prayers.
God Bless you.

Mick

Doug Stewart Gardening Talk

Just to let you know that we raised £147.00 for Church Funds at the recent evening,
which was very good under the circumstances!

Thank you to everyone who turned up to support the event
and especially those who helped on the evening.
