Letter from our Vicar

Dear Friends

As I write this, I am at the Diocesan Clergy Conference, which happens every two years. Many of the Diocesan ministers and staff go away for four days to a conference centre in Derbyshire - there are several hundred of us so it needs to be a big place. We have shared meals and chatted over coffee. We have worshipped together in lots of different ways. We have listened to inspirational speakers and laughed out loud at the brilliant Harry Baker, a poet who was the entertainment one evening. I have caught up with friends I've not seen for a while and had quiet and useful meetings with people I needed to catch up with.

All this sounds delightful, I'm sure. But sometimes it's quite challenging. There are a lot of people (I think I mentioned that already) and, as I don't see very well, that is quite daunting. Some of the worship is not quite in the style of St Leonard's. Some of the talks and discussions have led us to question our preconceptions. But overall it has been a good time.

Firstly, it is good to get ourselves out of our comfort zone occasionally. And they do say 'a change is as good as a rest'. So it's helpful to step out of parish life and remember the wider world. Secondly, the theme of the conference is God's grace. I've been reminded that in God's heart there is a Wendy-shaped hole that only I can fill. I've been reminded that I come to God just as I am and he is overjoyed with that. I've been reminded that God is there through the joy, the laughter, the awkward moments and the scary bits. And all that is good.

I hope that over this summer you too get a break of some kind. That you perhaps see some old friends - even if you don't get to share breakfast with nearly 300 of them! That you have your horizons broadened. That somehow, somewhere, you feel the grace and love of God. That there are moments when you realise that you are perfect as you are and that God has a you-shaped hole in His heart, waiting just for you.

Yours in Christ

Revd Wendy Sellers

Afternoon Teas in August

Each year, St Leonard's offers afternoon teas on Sundays in August. This year, the dates are: **Sundays 4, 11, 18 and 25 August from 3.00pm to 5.00pm.**

Afternoon teas are served inside the church, but can also be enjoyed outside, weather permitting.

The teas feature homemade goodies and, as with almost all our events for the community, there is no charge for any of this deliciousness. Please do put these dates in your diary and perhaps invite someone along who would enjoy a visit to our beautiful church.

WI Report for June

At our meeting on 11 June, erstwhile English teacher and solicitor Jane Dismore gave us a very interesting talk on her route to becoming a full-time writer of historical and biographical books and an illustrated run-down of some of them, under the title: 'Royals, Rebels and Aristocrats'.

There are now only 21 non-royal duchesses living in Britain and only 24 non-royal dukes. The recently married Duke and Duchess of Westminster declined to be interviewed as they feared that Jane would concentrate on their fashion sense! However, she arranged interviews with several other duchesses for her book 'Duchesses: Living in 21st Century Britain'.

Unlike the royal family, the aristocracy still practises primogeniture, so girls are passed over for succession to the title. One interviewee was the Duchess of Abercorn who lives in Northern Ireland and is a direct descendant of the Romanovs, from Tsar Alexander. She is the sister of the mother of the current Duke of Westminster. Also included was the Duchess of Northumberland, creator of the marvellous gardens at Alnwick Castle. Her husband was not yet the Duke when they married, but his older brother died soon afterwards, which meant a huge change to their lifestyle when they moved into the Castle.

'Princess: The Early Life of Queen Elizabeth II' covers the early life of the late Queen and how the abdication suddenly catapulted an ordinary country girl aged 10 into the line of succession, and the sadness caused by the death of her Nanny. A royal tour when she was a baby left her in the care of both sets of grandparents at St Paul's Walden Bury where the Queen Mother grew up. Jane's researches uncovered previously unseen letters which revealed the late Queen's sadness as a young wife when Philip returned to his ship and the sensitivities of her father. She was the first member of the Royal Family to join the armed forces fulltime and drew on her solid background and the people who shaped her life during the rapidly changing times of her long reign.

Our next meeting on **9 July** will be a summer *Bring and Share Tea* in a member's garden: Janet Churchard has kindly agreed to host this from 3.00pm to 5.00pm at 58 Pondfield Crescent AL4 9PF.

Crossing the Waters, hosted jointly by the St Albans Cathedral Music and Education Trusts as part of the 75th Anniversary of The Commonwealth celebrations, is performed by **The Reverend Canon Mpho Tutu van Furth** and **Pete Letanka**.

Mpho is a South African Anglican priest, author and daughter of Archbishop Desmond Tutu. Pete is a jazz pianist, composer and educator. Together they share their stories and experiences of their South African heritage, discussing ideas of identity, responding to the past and ways towards reconciliation.

These conversations are punctuated by music performed by Pete Letanka's jazz trio. Through stories and music Mpho and Pete explore the challenges and rewards of crossing the waters of perceived differences to find common ground.

Unveiling the new refurbished Lychgate at St Leonard's Church

(first published in Neighbourhood News and reproduced here with kind permission of the Parish Council and Councillor Jenny Roberts)

At last the rain stopped and the sun came out to enable the final work to be completed on the repair and refurbishment of the Grade II lychgate at St Leonard's Church, Sandridge, in early May.

In April it was possible for the beautifully restored plaques with the list of names of those from Sandridge who died in WWI and WWII to be put back onto the front of the lychgate. The plaque explaining about the lychgate being built as a war memorial to remember the sacrifice of those who died was also returned. Then the honour boards naming those who served in WWI and returned home were rehung in the underside of the lychgate roof.

Finally, the further coats of preservatives could be applied to the timbers and roof and the rest of the work on the brickwork could be carried out. As well as achieving an improvement to the structure to enable it to be there for many more years, the restoration of the honour boards has been particularly successful.

In recent years, it had become increasingly difficult to be able to read the names of those listed on the boards. Today, the names and any with medal awards received are clear to see. This has been much appreciated by those families who, through social media groups, have become aware of the restoration work carried out on the boards where their grandfather or great grandfathers have been listed. We are hoping that more descendants of the men listed will become aware of this and we will be able to learn more about what happened to those men on their return home from active service.

The inscription above the lychgate reads:

*Through the Grave and
Gate of Death
[we] pass to our
Joyful
Resurrection*

In October, as part of this year's Flower Festival at St Leonard's Church, there will be a rededication service and celebration of the repaired lychgate which everyone interested can attend. Further details will be published in the September parish magazine.

We are grateful to all those who contributed to the funding of this project, and that includes St Leonard's Church, The War Memorials Trust, Sandridge Parish Council, Councillor Annie Brewster and residents of Sandridge Parish.

It is now important that people visit to see and appreciate the historic memorial and that we continue to look after the lychgate to ensure that the memory of those who died and those who served is never forgotten.

Members welcomed Mr Luke Shenton of The Woodland Trust. Luke kindly informed the meeting of what's currently planned for Heartwood Forest, of which he is site manager. Questions were asked and responded to.

Asset Register

Councillors reviewed the Parish Council's Asset Register. It was unanimously resolved that Full Council approves the Asset Register as circulated (*note: the Parish Office will carry out an audit of all items over the next year in liaison with committees*).

Internal audit – Year end 2023/2024

Members reviewed the 2023/24 year-end internal audit report and accompanying papers completed by IAC Ltd. Also reviewed were the Clerk's responses to the matters raised. These had already been considered by the Finance Committee at a meeting held on 5 June.

Members noted the signed Internal Audit return (part of the Annual Governance and Accountability Return) in which no items were raised as requiring the Council's or the External Auditor's attention. The Chair of the Finance Committee thanked the office team for their efforts. It was unanimously resolved to formally note the Internal Audit report.

2023/24 Budgetary Control (out-turn)

A budgetary control report showing out-turn for 2023/24 was circulated with the agenda. Final net expenditure of £292,437 against an approved budget of £343,095 was noted, giving a reduction on budgeted net expenditure of £50,658. Material variations were detailed in the report which was then formally noted.

Reserves

Members reviewed and noted a table of earmarked and general reserves at year-end.

2023/24 Annual Governance and Accountability Return (AGAR)

A set of Supporting Statements compiled by George Street Accountants, together with a copy of the Annual Governance and Accountability Return (AGAR) for the year ended 31 March 2024, was circulated to Members with the agenda. Also circulated was a table of variations on out-turn between 2022/23 and 2023/24 as required by the external auditor. These were reviewed by the Finance Committee on 5 June 2024.

After consideration it was unanimously resolved that Full Council acknowledges responsibility for ensuring there is a sound system of internal control, including the preparation of the Supporting Statements, and confirms that to the best of its knowledge and belief, with regards to the Supporting Statements for year ended 31 March 2024, the 2023/24 Annual Governance Statement is approved and the Chair of the Council and the Parish Clerk should sign Section 1 of the AGAR. It was further unanimously resolved that Full Council confirms that to the best of its knowledge, the 2023/24 Accounting Statements contained in the Annual Return, plus the explanation of variances represent the financial position of the Council for the year ended 31 March 2024 and that the Parish Council Chair should sign Section 2 of the AGAR.

The Exercise of Public Rights 2023/24

It was reported that the Exercise of Public Rights, during which members of the parish are able to inspect the Annual Return and raise any issues of concern with the external auditor, has been scheduled to run from 14 June to 26 July 2024 in accordance with regulations. It was unanimously resolved that Members approve the above dates for the Exercise of Public Rights and note that all regulations in this regard have been complied with.

Matters of Note

Fifteen hanging baskets have been installed in the parish through the grounds maintenance contract.

A fourth clothing bank has been installed in Sherwood Park car park.

A very substantial bough from a willow alongside the Harness Way pond has been successfully removed as a matter of urgency. It was suspended not only over the pond but also over a popular cut through. Much of the timber has been left on site to provide further habitat.

A provisional date of 15 February 2025 has been set for a Repair Shop event at the Jersey Farm Community Centre. Details to follow. Cllr Wells is also involved with the St Albans Fixers, potentially at other locations. It was noted there will be a repair event at the Baptist Church on 15 June between 2pm and 5pm.

Resurfacing of the Sherwood Avenue tennis courts has been completed.

The Parish Council held a Summer Festival, including musical entertainment, on 1 June on Jersey Farm Woodland Park. The event was well attended and feedback has been very positive. Cllr Roberts was thanked for her input.

Sandridge Parish Council had a table at the Sustainable St Albans Expo over the weekend on 8-9 June. Several Councillors attended the event.

An event was held on the Jersey Farm Woodland Park on 6 June to commemorate the 80th anniversary of D-Day. The Chair thanked Cllr Twidell for his input.

COUNCILLOR AND COMMITTEE REPORTS

Grant Applications

There have been no grant applications this month.

Highways Together

Cllr Oakley took Members through a report tabled at the meeting. Members noted the complexity of asking volunteers to assist in cleaning street signs and furniture. Also noted was that there may not be an appetite for this type of volunteer work. The Clerk undertook to have the Sandridge Welcome signs cleaned.

Redevelopment of Parish Council Buildings

Cllr Wells talked members through a report circulated with the agenda, it having been reviewed by the Finance Committee on 5 June. Following discussion it was agreed to defer the matter of setting aside funds for future

development of the halls until the budget process begins in the autumn. Cllr Leonard informed the meeting that he was waiting for a quote from a structural surveyor before requesting approval to commission a survey of Marshalswick Community Centre. Cllr Wells was thanked for his work to date.
