## A Message from your Minister

# RETUNING

Dear Readers,

I write this on the hottest day of the year, reflecting that this is weather for the beach and not for dog collars and work. Still, not long now until a week away in France and an opportunity to recharge the batteries after a full and eventful year.

Though in terms of spiritual refreshment, I don't know whether *recharging the batteries* is the right image to be thinking on. Batteries are items that we need to supply ourselves with in order to make things work - as we often discover to our irritation, when we unpack whatever we have bought and find we should have read the small print that tells us, "Batteries not included".

Rechargeable batteries don't work forever either. Sooner or later they lose their capacity for supplying energy. Our Christian faith on the other hand, however we have embraced it, whether through baptism or some other form of commitment, connects us straight to the mains, the source of Life! The love of God, shown to us supremely through the life, death and resurrection of Jesus, embraces us in the life-giving power of the Holy Spirit, as she fills our lives with assurance and confidence in Christ.

The challenge is that our reception gets distorted through the static of life, stuff, our preoccupations, and the interference of our busyness! So from time to time, we need to retune and clean and sharpen up our contact points.

That I think is a more helpful picture, because it reminds us that the initiative always lies with God. All we are called to do is respond. Our responsibility lies in making ourselves as open and receptive as we can be to God's gift of life. Spiritual writer, Ann Lewin, says that hymns like '*Father hear the prayer we offer,*' put in front of us a spirituality which leaves us no time for resting in God to sharpen up our contact points. She has therefore rewritten the hymn, and I offer it here to you for reflection.

**P.T.O.**

**A Message from your Minister - continued**

**The Prayer We Offer**

*Not for ease? Why not?  
What's wrong with ease?  
For most of us the  
Problem is not self-indulgence,  
But that we allow ourselves too little.  
Prohibitions, counsels of perfection,  
Drive us and load us up with guilt.*

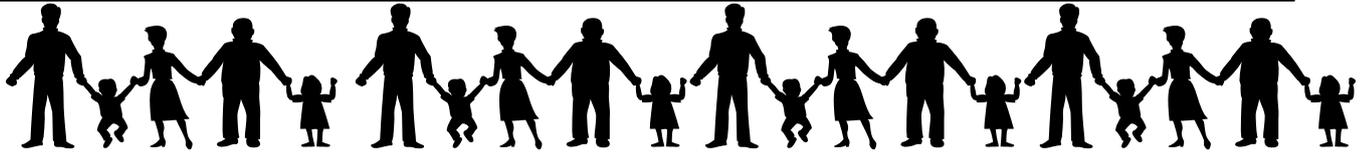

*Time enough for courageous living  
And all that rock-smiting.  
Let's rest and wander in green pastures  
When we find them, make the space  
To let ourselves be loved;  
Build up our strength  
And grow in confidence;  
Drink living water springing in  
Great fountains;  
Feed on the Bread of Life which satisfies.*

*Then we shall have provision  
For the journey, and at last  
Arrive, not too unpracticed  
In the art of resting  
In His presence.*

God bless you Rev Julia x

**Rev Julia Monaghan - Sabbatical**

Please note that Rev Julia will be on her Sabbatical from 1st October until 10th November 2017. She will be back in action on Remembrance Sunday. We wish her a fulfilling, relaxing time with an opportunity to recharge her batteries. If that is the correct phrase (see Message from the Minister".

## Holidaying at Home at Highlands 2017

presents

"Bring me Sunshine"

Holidaying at Home has returned to Highlands again this summer. We set the bar for fun so high last year I have really enjoyed trying to make this years event similar yet different.

"Bring me Sunshine" is a reference to the fact we are going to get you smiling with a little bit of nostalgia, a gentle stroll and for those that want to; a dance down memory lane with "Dancing through the Decades" show.

We also have what I hope to be an interesting talk entitled "Letters from a Leigh Rectory", a U3A shared learning project with Leigh Heritage Society with tales of parish life of a Leigh on Sea Rectors wife.

There will be Fish and Chips for lunch followed by a Puppetry performance hot from Marlborough Puppetry Festival where Marlborough has been celebrating 70 years of Pelham Puppets.

If you would like to book a place please do not hesitate to call me on 01702 479804 **Julie Peek**

**Community Day**

Thank you to all who contributed or looked in on our Community Day. It was great to come together with the *Showstoppers* who sat with our ladies from Hobbies doing flower arranging and craft and through the day entertained us with songs from the shows. We enjoyed the tea, coffee and lovely cakes, also a delicious buffet lunch sharing at tables set in our church and open to all.

Our Rev Julia spent time with us seeing what we all get up to in the week. She also had the chance to catch up with Father James from St Luke's church in Southend, where *Showstoppers* meet every Wednesday. They meet every Thursday at Highlands when the Hobbies Group has formed a special relationship with them all. Father James was very taken with our wall hangings made by Rev Teresa.

The *Art Group* came in to share the afternoon tea with us, many of them moved to tears by Glenn's performance of *Vincent*.

Andrew, Georgie, Tammy and all from *Showstoppers* had a great day and went on Facebook with many photos thanking the wonderful *Highlands*. If you missed the day maybe we will see you next year.

## Serving the Homeless / HARP

The very enjoyable Afternoon Tea arranged on 8th June raised £571.

Unexpectedly, Serving the Homeless has also received £700 from the Southend Charity Football Competition as we were the nomination of Bridgemarsh Reserves FC who won their division.

In addition we received £352 from the East Essex Players as a result of an Indian Meal in Benfleet.

We are very grateful for all this additional support.

Our Summer Raffle tickets are now available and the draw will take place on Monday 4th September. The prizes include a Meat Hamper, Selection of Spirits and Wines, Hamper of Italian food and wine, together with numerous other prizes. Get your tickets now for £1 each.

Further fund raising events include:-

**Indian Meal** at the Shagor Restaurant on 14th September

**Jazz Evening** on Saturday 7th October at our Lady of Lourdes Parish Centre

An evening of **Songs from the Musicals** on Saturday 18th November.

Thank you for your continued prayers and items at the back of the church. There is still an urgent need for smaller sizes of clothing, including underwear, together with trainers, jeans, sunscreen and toiletries.

I append an extract of a Report from HARP on 5th June this year.

*As of 5/6/17 HARP has 174 units of accommodation.*

*50 units are to be used as part of the 'House First' model to address the problem of persistent rough sleepers. These units have few conditions that have to be complied with and are therefore more likely to succeed with the harder cases.*

*Last year the "Bradbury Centre" assisted 1104 people. The numbers seeking help has declined for a number of reasons, one being that HARP is more successful in getting people into housing that they can sustain, therefore they are less likely to become homeless again. The 'stock' of homeless people is therefore gradually being whittled down. However new cases are presenting all the time.*

*Of the 1104 assisted last year **57%** were found to have mental health problems. It is now the main presenting factor and is increasingly so among young women.*

*Of the whole group, 578 were of no fixed abode, i.e. sofa-surfing etc. 400 were at risk of losing their tenancy and 126 were sleeping rough.*

*The report on the Winter Shelter programme was very positive. HARP believe that their policy has been successful. The numbers show that **128** people used the Churches Winter Night Shelters. Of these:*

***124 worked with HARP services. 52% have now been housed***

***8 have accessed employment***

***18 have been placed in Treatment programmes***

*The average stay was **16 nights**. The overall number of people using the night shelters, including the Shelter at the Bradbury was **217**.*

*The Service Manager's Report showed 326 clients accessing meaningful activities run by HARP. 45 people had found sustainable work. Some had transferred to council accommodation. Examples given included a client (female) who had presented with mental health issues, who had completed their 'Heads Up' course and subsequently was able to complete her Masters Dissertation and is now in council accommodation. Another client (male) had been asked to leave the family home by his mother, who was embarking on a new relationship. He had been sleeping rough, and then took an overdose. He was put in the Night Shelter at the Bradbury then moved into a HARP property, then the Acorn project and finally into Council accommodation. This young man had somehow managed to maintain a part-time job throughout this terrible period.*

*The other main points:*

*The Acorn project, which houses 30 young people( predominately 18-25) is now under discussion as the properties in York Road owned by Estuary Housing are due to be redeveloped in 12- 18 months as the existing stock is no longer in a fit state. This would leave 30 young people without accommodation until the rebuild was finished. HARP are therefore looking to purchase a new site in Southchurch Avenue and develop a 'Halls of Residence' type building so that there would be somewhere for these clients to live while Estuary redevelops their site. Discussions are in an advanced stage. The two developments would eventually add an additional 30+ units of accommodation for HARP.*

*Finally, Ceylon house is having an extension built which will provide 7 more rooms and the White Heather House Project is nearing completion with 11 ladies already in residence.*

*Thank you for your support of prayers and items at the back of the church.*

# Sea Sunday – 15th July

Look around your home. How much of the contents in your cupboards, wardrobe, rooms, and even garage came to you over the seas, via the great merchant ships? What would your home be like without them? Yet when did you last give a thought to the people who bring them to you.

It is a curious fact that seafarers are one of the most important, and yet invisible people groups in our society. We all of us depend on them to fill our homes and businesses with an endless variety of goods, and yet we never see them, never speak to them, and rarely even remember their existence .

It suddenly makes *Sea Sunday* seem good sense: an annual opportunity to give thanks for the seafarers of the world, and to pray for their personal well-being. For going to sea is a lonely occupation. It separates families for months on end. It can sometimes be dangerous, and is always physically demanding work.

So this month, on *Sea Sunday*, let's pause and give thanks to God for the seafarers of the world. Let's remember how their work so enriches our lives. Let's pray for them, for their families, and let's support the organisations that offer them care and support through their chaplaincy work.

In doing so, we will join with thousands of other Christians, from London to Lagos, Manila to Melbourne and Durban to Dunkerque, who each year remember the seafarers who make our prosperity possible.

# The Highlander

Father, I place into your hands  
the things I cannot do.  
Father I place into your hands  
the times that I've been through  
Father I place into your hands  
the way that I should go,  
for I know I always can trust you.
