

The Coffee Lounge

49m² (500 ft²)

A central space 7.75m x 6.3m (25ft x 20ft) for smaller meetings and activities requiring a friendly but private space. Well lit, but with no external windows except for a skylight in the ceiling, which is high, giving a sense of space. Seating is available up to 20 people.

This is often the warmest room during cold weather, being bordered on all sides by corridors and the kitchen, and carpeted.

The space is available for secular purposes approved by the stewards on behalf of the Church Council. No alcohol may be sold or consumed on the premises.

All measurements are approximate.
