

Jersey Methodist Circuit

12 hour prayer online event

Life before the lockdown seems a million years ago. Christmas 2019 seems like a different world ago and well, it was. Here in the Jersey circuit, we had a 24 hour prayer event and the Spirit moved in ways that were phenomenal and everyone who took part left refreshed, revived and renewed. God moved in that place and hearts and mind were strangely warmed.

The Methodist Church meets every year for the Methodist Conference, which is the decision making body of the Church and the place where we receive probationers into Full Connexion before being ordained. This year the Methodist Conference is meeting online and for those due to be ordained, their ordination will be radically different. We're still not quite sure how that's all going to look, but for us here in Jersey, this has a direct impact and consequence for us. Our beloved Deacon Sally was due to be ordained at this year's conference. Whilst we recognize the work and give thanks for her incredible ministry, the culmination of that celebration through ordination won't quite be the same.

Probationers around the Connexion will be received into Full Connexion online and physical ordinations will take place at a later date, however the Jersey Circuit, wanted to do something to mark this momentous occasion for Deacon Sally. Remembering how powerful the prayer event in December was last year, we decided to hold another prayer event on the Saturday when Deacon Sally and other probationers will be received into full Connexion and should have been ordained. We will pray for them, for their churches, for the Conference, the outgoing and incoming President and Vice President, for those dealing with Covid 19 and a whole host of other things that need our prayer.

So join us in this exciting time to lift up your hearts in praise and prayer, remembering that *'when two or three are gathered, surely I am there.'* That gathering will be with each other in our homes thanks to the power of the internet and for those who can't join us online, you'll have the opportunity to join in all of our activities through a paper format. Pre-order your prayer pack from the Circuit Office and you will be able to join in our prayer time with us in your own home.

How does it work?

On our YouTube channel, on the hour, every hour, for 12 hours a new video will be released with a series of prayers, bible reading, music and videos with prayer ideas

helping you engage in prayer with fresh and exciting ideas. Most of the prayer activities are family friendly so you can do them with others if that's your situation.

Simply log onto YouTube every hour, or for the hours you want to pray and check out our video to inspire you through that hour. At thirty minutes past the hour, staff will take it in turns to host virtual zoom prayer meetings where you can try these activities and pray with one another. This will happen every one of the twelve hours. There will be opportunities to check in on Zoom for prayer time and fellowship together.

So join us on Saturday 27th June from 6am to 6pm for 12 hours of prayer culminating in Deacon Sally's reception into full Connexion.
