Parish life letter May

Hope is an amazing thing isn't it? I'm sitting here looking out of my window at a wet, grey April day, hoping that by the time you read this it will be a beautifully sunny May day! Hope is something to hang on to when all else is lost. When we are at our wits end and everything we have tried has failed, we still have hope. When we are at rock bottom the only way is up. Of course, as I type this there are several songs and slogans that are swirling through my head and if I've done that to you then please accept my apologies!

This month we celebrate Ascension Day. It is the day that Jesus goes up to heaven. Why would we celebrate Jesus leaving us on earth? Surely that's a bad thing, after all he did on earth, surely, we are going to be worse off, so why celebrate that? There's a few reasons, here's two. Firstly, Jesus told his followers that he had to leave, so that the Holy Spirit could come. Jesus could only be in one place, in his earthly body, but the Holy Spirit could be everywhere and with everyone. The Holy Spirit goes by many names: Counsellor, comforter and guide are but a few. One name just can't cover what the Holy Spirit does for us. Secondly, we also believe that Jesus now sits at God's right side, speaking on behalf of the human race. These two reasons are the basis of our celebration. Our second and perhaps better known celebration is Pentecost. As a child you may have made a headband with paper flames, which is how the Holy Spirit first appeared to Jesus' followers. Incidentally, the funny hat that Bishops wear is the same thing, they are shaped to represent the flame of the Holy Spirit! The Holy Spirit came to the disciples first and like a ripple spreading out like a droplet hitting a pool of water, the Holy Spirit spread out. The Holy Spirit spread through the disciples as they went out to share the good news of Jesus. A once frightened group of individuals who had lost their master, now through the Holy Spirit bravely travelled out and across the world. A group of individuals who had lost all hope were suddenly given the power of the Holy Spirit and although they faced a great deal of persecution, they held on to the hope they had received.

The Holy Spirit is there waiting for each and every one of us as followers of Jesus. The Holy Spirit can help us as we seek to find the strength to face the struggles of daily life. We can find hope where there feels like there is none through faith. However, I suspect that my hope in a hot summer might be in vain, the Holy Spirit won't guarantee that for even the most devout Christian.

Blessings
Elveen

Backache season is here?

-  I just want to let everyone know that I am in hospital and they are keeping me in. I have only poisoned myself, what I thought was an onion turned out to be a daffodil bulb. The doctor said I should be out sometime in the Spring.
-  The best way to garden is to put on a wide brimmed hat and some old clothes, and with a hoe in one hand and a cold drink in the other tell somebody else where to dig
-  Why do potatoes make good detectives? Because they keep their eyes peeled
-  A weed is a plant that has mastered every survival skill except for learning how to grow in rows.
-  What Vegetable can tie your stomach in knots? String beans.
-  A toddler was found chewing on a slug. After the initial surge of disgust the parent said "Well, what does it taste like?" "Worms was the reply.
-  Gardening requires lots of water - most of it in the form of perspiration.
-  'Annuals' mean disappointment once a year
-  Your lawn is always slightly bigger than your desire to mow it.
-  Whichever tool you want is always at the back of the shed.
-  The only way to ensure rain is to give the garden a good soaking.
-  Weeds grow at precisely the rate you pull them out.

-  Nothing ever looks like it does on the seed packet.
-  Autumn follows Summer, winter follows autumn, drought follows planting.
-  The only way to guarantee some colour all the year round is to buy a garden gnome.
-  Life expectancy would grow by leaps and bounds if green vegetables smelled as good as bacon.
-  How do you stop moles digging in your garden? Take away their shovels.
-  A woman asked her neighbour, "can I borrow your lawn mower?" the neighbor says, "no, he's not home yet".
-  The elementary school cook prided herself on the healthy meals she produced with lots of vegetables and fruit. When the power failed one day the cook couldn't serve a hot meal in the cafeteria so at the last minute she whipped up great slabs of jam sandwiches. As one little boy fills his plate he said "It's about time, a home cooked meal".
-  Knowledge is knowing a tomato is a fruit, wisdom is not putting it in fruit salad.
-  A husband and wife were driving through Wales. As they approached Lla.....--d they started arguing about the pronunciation of the town. They argued back and forth, then they stopped for lunch. At the counter the husband asked the waitress "Before we order could you please settle an argument for us, would you please pronounce where we are very slowly?" She leaned over the counter and said, "Burr-ger King".

That's it

Volunteers needed to either knit or crochet squares or blankets for the GWH

Or have you got any spare balls of wool to offer?

The GWH End of Life team and Brighter Futures are providing End of Life patient's with blankets.

Blankets are provided to make the hospital setting more homely and less medical in the patients last days of life. The family can then keep the blanket as a loving memory.

Obviously with the COVID 19 pandemic, all blankets and squares must adhere to the Trust's Infection Control Policy so if you can help out at all please contact June Lewis for the simple guidelines.

You may be aware that many charities and organisations are struggling at this time, this includes churches.

Great News! You can now sign up to join the Parish Giving Scheme (PGS) online. There is a link for this on the Giving page of our website:

<https://www.strattonteamministry.co.uk/giving/>

If you haven't considered the PGS before, we would ask you to prayerfully consider doing so. It's very easy to sign up and it works in a similar way to a Direct Debit (that it is intended to replace), in that a regular payment authorised by you goes out either weekly, monthly or yearly straight to the church. It is perfectly safe and can be stopped or changed at any time.

PGS is a great way to give to the work and mission of St Margaret's Church. Donations given through PGS come straight to the Church, there are no admin fees or bank charges for us to pay. 41 people have now signed up to do this - Thank you
