### **Operation Christmas Child.**

It's shoebox time! I was recently sent a short video of children sat in their classroom in Liberia, waiting to be told they could open their shoeboxes. The teacher counted down from 3 and when he reached "go" a great cheer went up as they all opened their boxes. It is such a special thing to be able to pack a shoebox that brings so much joy. The look on their faces was a most marvelous sight. As in the past if you do not have an empty shoebox or cannot quite fill one then please pass on whatever gifts you can manage and I will ensure they all go to the children. The leaflets will be placed in church very soon.
