Proverbs 3:5-6

<sup>5</sup> Trust in the LORD with all your heart and lean not on your own understanding;

<sup>6</sup> in all your ways submit to him, and he will make your paths straight.

When trusting God we may find many different things happening in our lives. We become closer to God and have a stronger bond. We do not carry the burdens of our lives alone. We know that God has a love for all his children, and we remember daily of his love for us. We may find that we are more peaceful and find a comfort knowing God is walking with us. We can feel we are fully rested and able to really feel God within us and fully trust in him. And in trusting God ourselves we can turn others to learn of the love he has for all. When we trust we can pass the control on to God knowing he will lead us where we need to be. When we answer the way to God we trust in him and not ourselves. We know that we can give God back the love he gives us so freely when we trust in him. And in trust we will live our lives in worship, love and praise, knowing he is there beside us all the way.

Father, thank You for loving us. Thank You for helping us when our trust is placed in other people. Thank You for bringing us back to you. Forgive us for going against the plan you have for each one of us. Help us to trust in you always with heart and mind and soul. Amen.
