Psalm 119:105 NIV

Your word is a lamp for my feet,
a light on my path.

What is the first thing we look for when we are planning a road trip? Well I know that I look for my faithful route map book. As I do not have a gismo that tells me the way, as I drive from my home to my chosen destination. I have to plan well ahead to ensure I reach the place I want to go to. Not just me of course we all need to do the same. We also have to look out for the road signs which help to keep us on the right road. Just like when we are travelling along life's path we have the Bible; God's word; to read to assist us to plan ahead to reach the destination of our Christian life. Which we all want to reach to see our Heavenly Father face to face. In the reading for today's devotion, we are told that God's word is a lamp for the feet and a light for the path. When we use the lamps that God provides they are just like the road signs we look for on our travels. We choose which way to go but if we follow God's lamps and read our bibles we will most certainly choose the Christian path and be a light to guide others along the way and love one another as God loves us. God knows us from beginning to end of our lives and he will guide our feet along life's path

Loving Lord, we thank you that you know us and lead us every day along our life's journey, help us to remain on the Christian path so we may walk alongside you in everything we do.
