Obey your earthly masters in everything; and do it, not only when their eye is on you and to win their favour, but with sincerity of heart and reverence for the Lord.

COLOSSIANS 3:22

Have you ever watched the television programme Claimed and Shamed? It shows how some people try to get money usually the insurance company by making false claims. They are normally caught and get nothing but shame, and possibly jail time. Not at all worth it. Are we always totally honest in our everyday lives, or do we do little things that can be seen by others as not quite as honest as it should be? It can be a slippery slope to more serious wrongdoings. We have to be honest in all our doings. If a friend thinks you have been dishonest then that is a friendship marred by hurt. And not just your friend but God is also hurt by your dishonesty in life. God want a true relationship with you, not one that can do wrong when they think no one is looking. Remember God knows our every word and deed there is no hiding place from him

Prayer. Loving Lord forgive me when I am dishonest to you and myself, help me to be true to you and to myself at all times. Amen.
