Galatians 6:4-5 NIV **Each one should test their own actions.** Then they can take pride in themselves alone, without comparing themselves to someone else, for each one should carry their own load.

Have you ever been in a position when something happened and it certainly was not planned? Sometimes it is good things unexpectedly come your way, and sometimes it the not so good events in life which can happen very suddenly. In our lesson today it shows that we can take time to look at what has happened and take on board what it is that God was asking us or telling us what to do and how to do it. When we have decided what it is then we can apply ourselves to follow with the Holy Spirit guiding us in the quest to reach the destination which we have learned the reasoning behind the unplanned event. When we look into ourselves to ask what is my aim in life, it can lead to an exciting time and with it comes a realisation that God is at the very heart of what he wants us to do. It may seem unplanned to us. Yet God knows what his plans for us are. Therefore, we may just listen and watch for when his plans for us come to fruition. Trust in him with all your heart and soul, and in sure and certain hope he will be walking along side us, guiding us all the way. We will learn to live life and not be surprised when something you have not planned for happens. It is not unplanned by our heavenly Father.

Heavenly Father take us along life's ways, help us to accept whatever you have planned for us not as a surprise or shock but a learning curve. Which in turn will help us to learn even more of what you want us to be. Amen.
