'The just shall live by faith.'

Hebrews 10:38 KJV

How do we live by faith? We learn by practising it every day. If you start as a child in Sunday School, you learn as a child being told how to be good and learn from your parents and Sunday school teachers. As an adult you have a choice whether to live daily as a Christian and by faith in God, or live a secular life. As a Christian you are learning to trust in God for leading you through the times when life is hard. By trusting in God's will for you the comfort you receive is above all worldly comfort. Living in faith can help you to make the decisions which sometimes don't always make sense at the time. In trusting God the answer usually comes at the appropriate time for the particular time in your life. The problems do not disappear but in prayer we can learn to put the problem in perspective, which can assist you through. Paul tells us, 'Faith is confidence in what we hope for and assurance about what we do not see' (Hebrews 11:1 NIV). Keep your footsteps in God's footsteps and walk in faith daily with him. Not just little holy bites but full trust in the God who loves us always, making us his own.

Heavenly Father we give thanks that you walk with us and carry us when needed. Help us to love one another as you truly love us. Amen
