Have I not commanded you? Be strong and courageous. Do not be afraid; do not be discouraged, for the LORD your God will be with you wherever you go. Joshua 1:9 NIV

Isn't a lovely feeling knowing that God is walking with us everywhere we go. We know that we have times when we are not in control of what is happening around us. This can make us feel that we are on our own, and maybe feeling down in spirits, and thinking that God has forgotten about us. We cannot feel him near to us and it really is a time when we need him to be hearing and seeing what is happening to us. We really need his support and to steer us onto the right path again. Uplift us to a better place. Sometimes even our dearest friends and relations cannot see how low we are and just cannot understand what is happening to us. Yet we know in our heart of hearts that God does know and he does care how you feeling. Joshua was informed by God to be strong and to have courage. And went on to tell Joshua; "The Lord your God will be with you wherever you go." That this was an amazing truth from God himself. What a huge impact on one knowing that God walks the long miles with us wherever we go he is with us. supporting and guiding us along the way, even though we do not realise it at the time. All we need to do is to trust in him and receive all that he gives us in faith and love for the God who knows what all our needs are. Trust and obey and walk always in his ways, and God will be with us wherever we are, empowering us with a strength given from himself through the Holy Spirit. Let us fall down on our knees and give thanks for all that we are and all the we have through the love of God and given through his Son Jesus Christ in and through the Holy Spirit. Amen.
